This Class Action Settlement Agreement (“Settlement Agreement”) is made and entered into by Plaintiff Durwin Hampton (“Plaintiff” or “Class Plaintiff”), individually and on behalf of the Class (defined below), and General Motors LLC (“GM”), subject to the approval of the Court.

I. RECITALS

A. Plaintiff commenced this Action on August 20, 2021, alleging that GM designed, manufactured, distributed, and marketed certain model year 2011-2014 GMC and Chevrolet trucks and SUVs equipped with LC9 Generation IV 5.3L V8 Vortec engines manufactured on or after February 10, 2011 (the “Class Vehicles”) that contain allegedly defective piston rings that are alleged to wear prematurely leading to excess oil consumption (the alleged “Oil Consumption Defect”).

B. Plaintiff asserts five causes of action: (1) violation of the Oklahoma Consumer Protection Act (“OCPA”), 15 Okla. Stat. § 751 *et seq.*; (2) breach of express warranty; (3) breach of the implied warranty of merchantability; (4) fraudulent concealment; and (5) unjust enrichment. ECF No. 2.

C. On February 24, 2023, Plaintiff moved for class certification on all claims. ECF No. 54. In his reply in support of his motion for class certification filed on June 7, 2023, Plaintiff informed the Court that he was no longer seeking certification of his common law fraudulent concealment claim. ECF No. 75.

D. On September 26, 2024, the Court certified the Class as to Plaintiff’s claims for violation of the OCPA (Count I), breach of implied warranty of merchantability (Count III), and unjust enrichment (Count V). The Court denied certification as to Plaintiff’s claim for breach of express warranty (Count II). ECF Nos. 121 and 129 (affirming and adopting Report and Recommendation, ECF No. 121).

E. On November 25, 2024, GM moved for summary judgment in favor of GM and against Plaintiff and the Class Members on all certified and uncertified claims in this Action. ECF No. 132.

F. On December 3, 2024, and again on March 3, 2025, the Court stayed further briefing on GM's motion for summary judgment to permit the Parties to explore a potential resolution of this Action. ECF Nos. 134; 139. This Action is currently stayed until June 2, 2025, at which point the parties are directed to provide a Joint Status Report. ECF NO. 140.

G. GM denies it is liable to Plaintiff on the uncertified claims or to Plaintiff or the Class Members on the certified claims, and specifically denies that the Class Vehicles are defective or that GM knowingly sold vehicles with engine defects or defective piston rings.

H. This Action is a Related Action to *Siqueiros v. General Motors LLC*, 16-cv-07244 (N.D. Cal.) ("*Siqueiros* Action"), and three proposed class actions pending against GM in which no class has yet been certified: *Vita v. General Motors LLC*, 2:20-cv-01032 (E.D.N.Y.); *Airko, Inc. v. General Motors LLC*, No. 1:20-cv-02638 (N.D. Ohio); and *Riddell v. General Motors LLC*, No. 1:20-cv-00254.

I. Following the court's ruling on certain post-trial motions in the *Siqueiros* Action,¹ counsel for the parties met and conferred to explore the potential for an agreed resolution of the *Siqueiros* Action, as well as this Action and the *Vita*, *Airko* and *Riddell* actions described above. The Parties engaged in arm's-length settlement negotiations over a period of approximately four months, and, on January 22, 2025, participated in an all-day in-person mediation with Antonio Piazza of Mediated Negotiations, Inc.

¹ The certified class claims of the certified classes in the *Siqueiros* Action proceeded to jury trial in 2022, with the jury returning a verdict in favor of the certified classes. No judgment has been entered on the jury's verdict.

J. After carefully considering the facts and applicable law and the risks, expense, and uncertainty of continued litigation, and after having engaged in extensive arm's-length negotiations, the Parties agree that it is in their mutual best interests to resolve the claims in this Action related to the Class Vehicles on behalf of Plaintiff and the Class Members on fair, reasonable, and adequate terms as set forth in this Settlement Agreement.

K. As part of the mediation, the parties in the Related Actions have also agreed to resolve all remaining claims in those actions.

L. The Parties agree that neither this Settlement Agreement nor the underlying Settlement shall constitute or be construed as any admission of liability or wrongdoing on the part of GM, which GM expressly denies, or as any lack of validity of any claims asserted by Plaintiff, which Plaintiff states were brought in good faith.

M. The Parties are entering into this Settlement Agreement to avoid the risks, burdens, and expense of continued litigation.

N. Class Plaintiff and GM have each independently determined that it is desirable and beneficial for the Action to be fully and finally resolved in the manner and upon the terms and conditions set forth in this Settlement Agreement.

O. Further, Plaintiff, through his counsel, has thorough knowledge of the facts and legal principles at issue in this Action, and taking into account the substantial benefits to be received by the Class under this Settlement Agreement, has concluded that a resolution of this Action on the terms set forth herein is fair, reasonable, adequate, and in the best interests of Plaintiff and the other Class Members, and treats Class Members fairly and equitably in relation to one another.

P. The Parties, by and through their respective undersigned counsel, have agreed to this Settlement Agreement on the terms and conditions set forth below.

NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED by and among Plaintiff (for himself and the Class Members) and GM, by and through their counsel, that, subject to the approval of the Court, the Action and the Released Claims will be compromised, settled, and judgment entered on the terms and conditions set forth below.

In consideration for the Settlement, entry of judgment, and dismissal, and for the mutual release provided herein, GM agrees as follows:

3.1 Payment of the Settlement Amount. GM agrees to pay the non-reversionary cash Settlement Amount of Twenty-Four Million Eight Hundred and Thirty-Three Thousand Dollars (\$24,833,000.00) into the Settlement Fund to be distributed in accordance with this Settlement Agreement. After paying the Settlement Amount into the Settlement Fund, GM shall have no responsibility whatsoever for the allocation or distribution of the Settlement Fund and shall not be responsible for disputes relating to the amount, allocation, or distribution of any fees or expenses, including Attorneys’ Fees and Expenses. Any Attorneys’ Fees and Expenses, or other costs, expenses, or fees, awarded by the Court or incurred by the Settlement Administrator shall be paid from the Settlement Fund.

3.2 Timing of Deposit of the Settlement Amount Deposit in the Settlement Fund. Within fifteen (15) business days following entry of the Court’s Preliminary Approval Order and receipt of wiring instructions, GM shall deposit Two-Hundred and Fifty Thousand Dollars (\$250,000.00) into the Settlement Fund Account. Within fifteen (15) business days following the Final Effective Date, GM shall deposit the balance of the Settlement Amount (Twenty-Four Million Five Hundred Eighty-Three Thousand Dollars (\$24,583,000)) into the Settlement Fund Account.

3.3 Settlement Fund. The Settlement Amount shall be placed in a non-reversionary common fund at a financial institution approved by Class Counsel and GM and, pursuant to Section VII, below, the Settlement Fund shall be established and maintained by the Settlement Administrator as a qualified settlement fund for federal tax purposes pursuant to Treas. Reg. § 1.468 B-1, *et seq.* The Settlement Administrator shall be responsible for all administrative, accounting, and tax compliance activities in connection with the Settlement Fund.

3.4 Use of the Settlement Fund. As described in this Settlement Agreement, the Settlement Fund shall be used by the Settlement Administrator to pay for: (i) all Settlement Administration Expenses; (ii) any Taxes; (iii) any Service Award; (iv) any Attorneys' Fees and Expenses approved and awarded by the Court; and (v) Settlement Payments, as provided in Section IV, below, and as approved by the Court.

3.5 Non-Reversionary Settlement. This Settlement shall be non-reversionary, meaning that no part of the Settlement Amount will revert to GM except in the event that the Settlement Agreement is not approved by the Court, is terminated, or otherwise fails to become effective. If there are any funds remaining in the Settlement Fund after all Class Members receive direct Settlement Payments, the remaining funds shall be distributed to Class Members on a *pro rata* basis if economically feasible, as set forth in the Plan of Allocation. If the Settlement Administrator determines it is not economically feasible to distribute remaining funds to Class Members, the remaining funds shall be distributed consistent with the Plan of Allocation.

3.6 Withdrawal Authorization. No amounts from the Settlement Fund may be withdrawn unless: (i) expressly authorized by this Settlement Agreement, or (ii) approved by the Court. Notwithstanding the above, Class Counsel may authorize the periodic payment of actual Settlement Administration Expenses from the Settlement Fund as such expenses are invoiced

without further order of the Court; provided, however, that prior to the Final Effective Date, Class Counsel may not authorize the payment of Settlement Administration Expenses in excess of \$250,000.00. The Settlement Administrator shall provide monthly reports to the Parties of all expenses, and GM retains reasonable audit rights.

3.7 Use of Settlement Funds Prior to the Final Effective Date. Prior to the Effective Date, the only monies that may be distributed from the Settlement Fund are Settlement Administration Expenses actually incurred by the Settlement Administrator and approved by Class Counsel, up to a total of \$250,000.00, without further order of the Court.

3.8 Administration and Distribution of the Settlement Fund After the Final Effective Date. The allocation of the Settlement Fund shall be based on a methodology set forth in a Plan of Allocation established by Class Counsel and approved by the Court. The Settlement Administrator, subject to such supervision and direction of the Court and Class Counsel as may be necessary or as circumstances may require, shall administer and oversee distribution of the Net Settlement Fund to Class Members pursuant to this Settlement Agreement.

3.9 Termination. In the event the Settlement Agreement is not approved by the Court, terminated, or otherwise fails to become effective, the Settlement Amount shall be refunded to GM plus interest earned (net of any taxes paid on such interest), and net of all necessary and reasonable Settlement Administration Expenses incurred.

IV. ALLOCATION AND DISTRIBUTION OF SETTLEMENT PAYMENTS TO CLASS MEMBERS

4.1 All identifiable Class Members shall be entitled to a direct Settlement Payment from the Net Settlement Fund in an amount to be calculated in accordance with the Plan of Allocation approved by the Court.

4.2 No later than thirty (30) days after the Final Effective Date, the Settlement Administrator shall calculate the amount of Settlement Payments due to all identifiable Class Members pursuant to the Plan of Allocation.

4.3 There are a number of Class Vehicles that have been registered in Oklahoma by the current or previous owner (but not both), and where it is unclear who owned the Class Vehicle as of September 26, 2024 or whether it was purchased in Oklahoma. The owners of such Class Vehicles must verify their Class Member status to receive a direct payment. To receive a Settlement Payment, these unverified Class Members must submit a Class Member Identification Form to the Settlement Administrator by mail or electronically on the Settlement Website, which will be included in the Identification Notice delivered to this portion of Class Members.

4.4 All Settlement Payments shall be in the form of a physical check and shall be sent directly to Class Members by mail.

4.5 Each Settlement Payment check issued to a Class Member will state on the face of the check that it will become null and void unless cashed within ninety (90) days after the date of issuance.

4.6 For any Settlement Payment checks that are uncashed by Class Members after ninety (90) days, the Settlement Administrator shall seek to contact the Class Members with the uncashed checks and, if successful in reaching the Class Member, shall attempt to make the Settlement Payment, including, but not limited to, by reissuing checks. Reissued checks that are not cashed within ninety (90) days after issuance shall become null and void.

4.7 To the extent that a Settlement Payment check issued or reissued to a Class Member is not cashed within ninety (90) days after the date of issuance or reissuance, such funds shall remain in the Settlement Fund for disposition in accordance with this Settlement Agreement.

4.8 The Settlement Administrator shall complete its distribution of Settlement Payments to Class Members as soon as practicable. The Settlement Administrator shall use its best efforts to complete the distribution of Settlement Payments no later than sixty (60) days after the Final Effective Date.

4.9 After the expiration of six (6) months from the Final Effective Date, if the Net Settlement Fund is not exhausted, Class Counsel will confer with the Settlement Administrator to determine if it is economically feasible to make additional Settlement Payments to Class Members. If so, Class Counsel, in its sole discretion, may recommend that additional Settlement Payments be made to Class Members, subject to Court approval.

V. DUTIES OF THE SETTLEMENT ADMINISTRATOR

5.1 The Settlement Administrator shall administer the relief provided by this Settlement Agreement by providing Notice and processing Settlement Payments in a reasonable, cost-effective, and timely manner. The Settlement Administrator shall maintain reasonably detailed records of its activities under this Agreement. Without limiting the foregoing, the Settlement Administrator shall:

- (a) Receive Requests for Exclusion from the Class and promptly provide Class Counsel and GM's Counsel copies thereof. If the Settlement Administrator receives any Requests for Exclusion after the deadline for the submission of such forms, the Settlement Administrator shall promptly provide copies thereof to Class Counsel and GM's Counsel;

(h) Calculate Settlement Payments to Class Members in accordance with the Plan of Allocation;

(i) Distribute the Settlement Fund in accordance with the terms and conditions of this Settlement Agreement and the Court-approved Plan of Allocation;

(j) Provide monthly reports and a final report to Class Counsel and GM's Counsel that summarize the number of Settlement Payments disbursed since the prior reporting period, the total number of Settlement Payments disbursed to date with the Settlement Payment amounts, the number of Settlement Payment checks that are uncashed, reissued, or otherwise not deposited since the prior reporting period, the total number of Settlement Payment checks that are uncashed, reissued, or otherwise not deposited to date with the Settlement Payment amounts, and other pertinent information as requested by Class Counsel; and

(k) Maintain reasonably detailed records of its activities under this Settlement Agreement, which shall be available to Class Counsel upon request.

5.2 The Settlement Administrator shall maintain staffing sufficient to perform all duties delegated to the Settlement Administrator in this Settlement Agreement and shall appoint a designated staff member to act as liaison with Class Counsel and GM's Counsel.

5.3 GM shall provide reasonable cooperation, as needed, in connection with claims administration, including providing data and answers to data questions. The Parties shall work with the Settlement Administrator in good faith to provide information the Settlement Administrator reasonably believes is necessary to (i) disburse Settlement Payments, (ii) calculate Settlement Payments to Class Members, and (iii) make determinations on whether objectors or persons who submitted Requests for Exclusion are Class Members.

5.4 If the Settlement Administrator makes a material or fraudulent misrepresentation to any Party, conceals requested material information, or fails to perform adequately on behalf of the Class, the matter shall be referred to the Court for resolution.

VI. SETTLEMENT OVERSIGHT

6.1 The implementation of this Settlement Agreement, including the administration of the Settlement and distribution of Settlement Payments, shall be overseen by Class Counsel. GM shall have no liability or responsibility whatsoever for any payment beyond the Settlement Fund Amount.

VII. QUALIFIED SETTLEMENT FUND

7.1 The Parties agree that the Settlement Fund is intended to be maintained as a qualified settlement fund within the meaning of Treasury Regulation § 1.468B-1. The Parties agree that the Settlement Fund shall be treated as a qualified settlement fund from the earliest date possible and agree to any relation-back election required to treat the Settlement Fund as a qualified settlement fund from the earliest date possible.

7.2 For the purposes of Section 468B of the Internal Revenue Code of 1986, as amended, and Treas. Reg. § 1.468B promulgated thereunder, the “administrator” shall be the Settlement Administrator or their successors, who shall timely and properly file, or cause to be filed, all informational and other tax returns necessary or advisable with respect to the interest earned on the funds deposited in the qualified settlement fund (including without limitation the returns described in Treas. Reg. § 1.468B-2(k)). In all events all Taxes (including any estimated taxes, interest, or penalties) on the income earned on the funds deposited in the qualified settlement fund shall be paid out of such funds. Taxes on the income of the Settlement Fund and expenses and costs incurred in connection with the taxation of the Settlement Fund shall be paid solely out of the Settlement Fund. In all events, the Parties shall have no liability or responsibility whatsoever for the Taxes or the filing of any tax returns or other documents with the Internal Revenue Service or any other state or local taxing authority.

7.3 All costs associated with and all Taxes relating to the Settlement Fund shall be paid out of the Settlement Fund, shall be considered to be Administration Expenses, and shall be timely paid by the Settlement Administrator without prior order of the Court. Further, the Settlement Fund shall indemnify and hold harmless the Parties and their counsel for Taxes (including, without limitation, taxes payable by reason of any such indemnification payments). The Parties shall have no liability, obligation, or responsibility of any kind in connection with the investment, disbursement, or other oversight of the Settlement Fund, aside from those obligations set forth herein.

7.4 All funds held in the Settlement Fund shall be deemed and considered to be *in custodia legis* of the Court, until such time as such funds shall be distributed pursuant to this Settlement Agreement and/or further order(s) of the Court.

7.5 Any funds in the Settlement Fund account in excess of \$250,000.00 shall be invested in instruments backed by the full faith and credit of the United States Government or fully insured by the United States Government or an agency thereof, including a U.S. Treasury Money Market Fund or a bank account insured by the Federal Deposit Insurance Corporation (“FDIC”) up to the guaranteed FDIC limit. All interest and dividends earned on the Settlement Fund shall become and remain part of the Settlement Fund. Any losses on the Settlement Fund shall be borne by the Settlement Fund and shall not be recoverable from the Parties.

7.6 After the Final Effective Date, the Settlement Fund shall be allocated to Class Members in accordance with the Court-approved Plan of Allocation and shall be distributed by the Settlement Administrator to the Class Members, as set forth in Section IV, above.

7.7 Plaintiff, Class Members, and Class Counsel represent, warrant, and agree that GM has no obligation whatsoever under this Settlement Agreement to make any Settlement Payments or to pay any Attorneys’ Fees and Expenses, cost, or expense payments to anyone except to establish the Settlement Fund as specified in Section III, above, and that any Attorneys’ Fees and Expenses or costs awarded by the Court or incurred in the administration of this Settlement shall be paid solely out of the Settlement Fund and not by GM.

VIII. NOTICE TO THE CLASS

A. CAFA Notice.

8.1 In compliance with the Attorney General Notification provision of the Class Action Fairness Act (“CAFA”), 28 U.S.C. § 1715, GM, through the Settlement Administrator, shall send the CAFA Notice, together with the Settlement and its Exhibits, to the Attorney General of the United States, and the attorneys general of each state or territory in which a Class Member resides. GM shall bear all costs associated with effecting CAFA Notice.

B. Notice Deadline.

8.2 No later than the Notice Date, the Settlement Administrator shall cause notice to the Class to be disseminated by U.S. mail, email (where an email address is available), the dedicated Settlement Website (<https://www.OklahomaGMEngineLitigation.com>), and any other means the Settlement Administrator deems necessary and reasonable to effect notice.

C. Individual Class Notice Methods.

8.3 Class Notice will be accomplished through a combination of Direct Payment Notice, Identification Notice, notice through the Settlement Website, Long Form Notice, Email Notice, Text Message Notice, and such other notice as Class Counsel or the Settlement Administrator believe is required by Fed. R. Civ. P. 23, the Due Process Clause of the United States Constitution, and all other applicable statutes, laws and rules, including those described below, as well as those in the Preliminary Approval Order, the Notice Plan (attached hereto as Exhibit 2), and this Settlement Agreement.

8.4 Within thirty (30) days following the Court granting preliminary approval of this Settlement, the Settlement Administrator shall provide by direct U.S. mail, to all reasonably identifiable Class Members, and by email (or other means the Settlement Administrator deems reasonable and necessary to effect notice), a copy of the Class Notice, which will summarize the terms of the Settlement, advise Class Members of important Settlement deadlines, and direct Class Members to the Settlement Website containing: (i) the Long Form Notice; (ii) important documents related to this Action and Settlement; and (iii) a Class Member Identification Form (where applicable).

8.5 The Class Notices shall inform the Class Members of their rights as follows:

8.6 Direct Payment Notice shall inform Class Members of their right to object to the Settlement and will inform them that they are not required to take further action to receive a

Settlement Payment under this Settlement, unless they previously excluded themselves from the Class. Where the current or previous owner (but not both) registered a Class Vehicle in Oklahoma, the Identification Notice shall direct potential Class Members to complete the Class Member Identification Form to determine whether they are eligible to participate in this Settlement, and of their right to object to the Settlement if they are eligible members of the Class.

8.7 For purposes of identifying the requisite names and addresses, within seven (7) days after entry of the Preliminary Approval Order, GM agrees to provide, to the extent it has not already done so, all Class Vehicle VINs to the Settlement Administrator, or a similar third-party entity, who shall be authorized to use that information to obtain the names and most current addresses of Class Vehicle owners through state agencies. Because some states require a prior court order before vehicle owner information can be released, such information may not be available until after the Preliminary Approval Order is entered.

8.8 Prior to mailing Class Notice, the Settlement Administrator shall conduct an address search through the United States Postal Service's National Change of Address database to update the address information for Class Vehicle owners. For each Class Notice that is returned as undeliverable, the Settlement Administrator shall use its best efforts to obtain a deliverable address.

8.9 The Settlement Administrator shall provide email notice to all Class Members for which an email address is available, including a hyperlink to the dedicated Settlement Website discussed below and electronic versions of the Direct Payment Notice, Long Form Notice, Identification Notice, and the Class Member Identification Form (where applicable) following the Court granting preliminary approval of this Settlement.

8.10 The Settlement Administrator shall maintain a dedicated Settlement Website which will contain: (i) a landing page with a summary of the Settlement and important Settlement deadlines; (ii) the Long Form Notice; (iii) the Direct Payment Notice; (iv) the Identification Notice; (v) the Class Member Identification Form; (vi) a portal for Class Members to submit their Class Member Identification Forms electronically; (vii) instructions on how to contact the Settlement Administrator for assistance; (viii) any orders issued in this Action approving or disapproving of the proposed settlement; and (ix) any other information the Parties determine is relevant to the Settlement. The Settlement Administrator shall maintain the Settlement Website for the duration of the administration until the time when all Class Member Settlement Payments have been issued and the time to cash any Settlement Payment checks has passed. The Settlement Administrator will notify the Parties in writing to request approval before deactivating the Settlement Website.

8.11 The Settlement Administrator shall maintain a dedicated toll-free telephone number for Class Members to call and obtain essential information and responses to frequently asked questions pertaining to the Settlement. The telephone number shall be listed on the Direct Payment Notice, Long Form Notice, Identification Notice, the Class Member Identification Form, and the dedicated Settlement Website.

8.12 The Settlement Administrator shall maintain a dedicated Post Office Box to receive Class Member correspondence, Class Member Identification Forms, Objections, and Requests for Exclusion.

8.13 For a period ending ninety (90) days after the Notice Date, the Settlement Administrator shall provide counsel for the Parties with reasonable periodic reports of the total number of Class Notices sent to Class Members by U.S. mail and email, along with the number of

notices returned as undeliverable. The Settlement Administrator shall communicate with counsel for the Parties regarding delivery of Class Notices and the number of Class Members who have responded to the Notices.

IX. ATTORNEYS' FEES AND EXPENSES AND CLASS REPRESENTATIVE SERVICE PAYMENT

9.1 Prior to the Final Approval Hearing, Class Counsel will file a motion for an award of Attorneys' Fees and Expenses and Service Award. The Parties agree that Class Counsel may apply to the Court for an award of reasonable Attorneys' Fees and Expenses, up to, but not to exceed, Thirty-Eight percent (38%) of the Settlement Fund. GM will not oppose Class Counsel's application for Attorneys' Fees and Expenses up to and not exceeding the above amounts. Each party shall have the right of appeal to the extent the award is inconsistent with this Agreement. The Parties also agree that Class Counsel may apply to the Court for a Service Award to the Class Plaintiff in the amount of Fifteen Thousand Dollars (\$15,000) for his services in this Action.

9.2 Notice to the Class Members will advise them of these planned requests.

9.3 If approved by the Court, the Settlement Fund will pay all Attorneys' Fees and Expenses to Class Counsel and pay the Service Award to Class Plaintiff within fifteen (15) business days of the Final Effective Date.

9.4 Except through its payment of the Settlement Amount into the Settlement Fund, GM shall not be liable for Attorneys' Fees and Expenses, Service Awards, costs, fees, or any other expenses of Class Plaintiff's or the Class Members' respective attorneys, experts, advisors, agents, or representatives in this Action, and any such costs, fees, and expenses as approved by the Court shall be paid out of the Settlement Fund as described in this Section.

9.5 No order of the Court or modification or reversal or appeal of any order of the Court concerning the amount of Attorneys' Fees and Expenses awarded to Class Counsel, or the amount

of the Class Representative Service Award, shall affect whether the Final Order and Judgment are final and shall not constitute grounds for cancellation or termination of the Settlement.

X. MUTUAL RELEASE

10.1 In consideration of the benefits provided to the Class Members by GM as described in this Settlement Agreement, upon the Final Effective Date, Class Plaintiff and the Class irrevocably release, waive, and discharge any and all past, present, and future disputes claims, causes of action, demands, debts, liens, suits, liabilities, obligations, rights of action, damages, costs, attorneys' fees, losses, or remedies of any kind that have been brought or could have been brought, whether known or unknown, existing or potential, or suspected or unsuspected relating to the alleged Oil Consumption Defect in the Class Vehicles, whether arising under statute (including a state lemon law), rule, regulation, common law or equity, and including, but not limited to, any and all claims, causes of action, rights or entitlements under any federal, state, local or other statute, law, rule and/or regulation, any claims relating to violation of any consumer protection, consumer fraud, unfair business practices or deceptive trade practices laws, any legal or equitable theories, any claims or causes of action in tort, contract, products liability, negligence, fraud, misrepresentation, concealment, consumer protection, restitution, quasi contract, unjust enrichment, express warranty, implied warranty, secret warranty and/or any injuries, losses, damages or remedies of any kind, in law or in equity, under common law, statute, rule or regulation, including, but not limited to, compensatory damages, economic losses or damages, exemplary damages, punitive damages, statutory damages, restitution, recovery of Attorneys' Fees or litigation costs, or any other legal or equitable relief against Releasees, whether or not specifically named herein, asserted or unasserted, and all legal claims of whatever type or description arising out of, that may have arisen as a result of, or which could have been brought based on, any of the facts, acts, events, transactions, occurrences, courses of conduct,

representations, omissions, circumstances or other matters pleaded in the Complaint filed in the Action related to the alleged Oil Consumption Defect (the “Released Claims”). Further, Class Plaintiff and all Class Members waive any and all rights under California Civil Code Section 1542, which provides as follows:

“A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN TO HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.”

10.2 The Settlement Agreement and the Mutual Release in Section X do not release claims for (i) death, (ii) personal injury, or (iii) damage to tangible property other than a Class Vehicle. The release effected by this Settlement Agreement is intended to be a specific release and not a general release.

10.3 Class Plaintiff and Class Members recognize that, even if they later discover facts in addition to or different from those which they now know or believe to be true, they nevertheless agree that, as of the Final Effective Date, they fully, finally, and forever settle and release any and all Released Claims against Releasees. The Parties acknowledge that this waiver and release were bargained for and are material elements of the Settlement.

10.4 In consideration for the Settlement Agreement, GM and its past or present officers, directors, employees, agents, attorneys, predecessors, successors, affiliates, subsidiaries, divisions, successors and assigns shall be deemed to have, and by operation of the Final Approval Order and Judgment shall have, released Class Counsel, Class Members, and Class Plaintiff from any and all claims or causes of action that were, or could have been, asserted by GM pertaining to this Action or Settlement. GM recognizes that, even if it later discovers facts in addition to or different from those which they now know or believe to be true, it nevertheless agrees that, upon the Final

Effective Date, GM fully, finally, and forever settles and releases any and all such claims. The Parties acknowledge that this waiver and release were bargained for and are material elements of the Settlement.

10.5 Class Plaintiff and the Class Members agree never to file, commence, or participate in any future legal proceeding against the Releasees with respect to Released Claims, as defined in this Agreement. This paragraph expressly excludes any action or claim to enforce the terms of this Settlement Agreement.

10.6 This Settlement and the mutual release in this Section do not affect the rights of any Class Members who timely and properly request exclusion from the Class, or anyone who is not a Class Member as defined in this Settlement Agreement. The Parties do not intend this Settlement Agreement and release to affect any legal claims that arise out of a consumer's purchase or use of any vehicle other than a Class Vehicle.

10.7 Upon the Final Effective Date, (i) the Settlement shall be the exclusive remedy for Class Members; (ii) Releasees shall not be subject to liability or expense of any kind to any Class Member(s) for reasons related to this Action except as set forth herein; and (iii) Class Members shall be permanently barred from initiating, asserting, or prosecuting any and all released claims against the Releasees.

XI. SETTLEMENT APPROVAL PROCESS

A. Intention to Complete Settlement.

11.1 The Parties shall cooperate with each other in good faith to carry out the purposes of and effectuate this Settlement, shall promptly perform their respective obligations hereunder, and shall promptly take any and all actions and execute and deliver any and all additional documents and all other materials and/or information reasonably necessary or appropriate to carry

out the terms of this Settlement and the transactions contemplated hereby. Class Plaintiff shall prepare all preliminary approval and final approval motion papers.

11.2 If the Preliminary Approval Order or the Final Approval Order and Judgment is not obtained from the Court as contemplated by this Settlement or the Final Effective Date does not occur, this Settlement shall be null and void *ab initio* upon election of any of the Parties and shall have no further force and effect with respect to any of the Parties in this Action; provided, however, that GM shall pay all accrued Settlement Administration Expenses until such time.

B. Preliminary Court Approval.

11.3 Promptly after execution of this Settlement by the Parties, counsel for the Parties shall present this Settlement to the Court for review and jointly seek from the Court a Preliminary Approval Order in a form substantially similar to Exhibit 1.

11.4 The Preliminary Approval Order shall, among other things:

- (a) Preliminarily approve the Settlement Agreement;
- (b) Require the dissemination of the Class Notice and the taking of all necessary and appropriate steps to accomplish this task;
- (c) Require GM to provide to the Settlement Administrator, within seven (7) days of the entry of the Preliminary Approval Order, to the extent it has not already done so, all Class Vehicle VINs to the Settlement Administrator, or a similar third-party entity, who shall be authorized to use that information to obtain the names and most current addresses of Class Vehicle owners through state agencies, as referenced in Section VIII, above;
- (d) Determine that Class Notice and the Notice Plan comply with all legal requirements, including, but not limited to, Fed. R. Civ. P. 23 and the Due Process Clause of the United States Constitution;
- (e) Schedule a date and time for a Final Approval Hearing to determine whether the Settlement Agreement should be finally approved by the Court, and whether the requested Attorneys' Fees and Expenses and Class Representative Service Awards should be granted;
- (f) Require Class Members who wish to exclude themselves to submit an appropriate and timely written Request for Exclusion as directed in this Settlement

Agreement and Long Form Notice, and provide that a failure to do so shall bind those Class Members who remain in the Class;

(g) Require Class Members who wish to object to this Settlement Agreement to submit an appropriate and timely written statement as directed in this Settlement Agreement and Long Form Notice, which shall both be on the Settlement Website;

(h) Require attorneys representing Class Members objecting to the Settlement Agreement, at such Class Members' expense, to file a timely notice of appearance with the Court as directed in the Long Form Notice;

(i) Issue a preliminary injunction enjoining potential Class Members, pending the Court's determination of whether the Settlement Agreement should be given final approval, from challenging in any action or proceeding any matter covered by this Settlement Agreement, except for proceedings in this Court to determine whether the Settlement Agreement will be given final approval;

(j) Appoint the Settlement Administrator;

(k) Issue other related orders to effectuate the preliminary approval of the Settlement Agreement.

11.5 No later than twenty (20) days before the Final Approval Hearing, the Settlement Administrator shall provide affidavits for the Court, with a copy to counsel for the Parties, attesting that notice was disseminated in a manner consistent with the terms of this Settlement Agreement, or as otherwise required by the Court.

C. Final Court Approval.

11.6 Once the Court enters a Preliminary Approval Order, counsel for the Parties shall use their best efforts to promptly obtain entry of a Final Approval Order and Final Judgment that:

(a) Finds the Settlement to be fair, reasonable, and adequate;

(b) Finds that the Class Notice and ancillary notices described herein constitute the best notice practicable;

(c) Approves the release specified in Section X, above, as binding and effective as to all Class Members who have not properly excluded themselves from the Classes;

(d) Directs that judgment be entered on the terms stated herein; and

(e) Provides that the Court will retain jurisdiction over the Parties and Class Members to enforce the terms of the Final Order and Final Judgment.

11.7 Upon entry of the Final Order and Final Judgment, this Action shall be dismissed, on its merits and with prejudice, with respect to Class Plaintiff and Class Members, subject to the continuing jurisdiction of the Court.

XII. REQUESTS FOR EXCLUSION

12.1 The provisions of this section shall apply to any request by a Class Member for exclusion from the Class.

12.2 Any Class Member may make a request for exclusion by submitting such request in writing as set forth in the Class Notice.

12.3 Any request for exclusion must be submitted not later than the date specified in the Court's Preliminary Approval Order.

12.4 Any request for exclusion shall include: (i) the case name and number of the Action; (ii) the excluding Class Member's full name, current residential/commercial address, mailing address (if different), telephone number, and e-mail address; (iii) the model, model year, Vehicle Identification Number ("VIN") of the Class Vehicle(s), the dealership name, city and state, and approximate date(s) of purchase or lease; (iv) a specific and clear desire to be excluded from the Settlement and from the Class; and (v) the Class Member's dated, handwritten signature (an electronic signature or attorney's signature is not sufficient).

12.5 Failure to comply with these requirements and to timely submit the request for exclusion will result in the Class Member being bound by the terms of the Settlement Agreement.

12.6 Any Class Member who submits a timely and valid request for exclusion may not file an objection to the Settlement and shall be deemed to have waived any rights or benefits under this Settlement Agreement.

12.7 The Settlement Administrator shall report the names of all Class Members who have submitted a Request for Exclusion to counsel for the Parties on a weekly basis, beginning

thirty (30) days after the Notice Date. The Settlement Administrator shall also report a final tabulation of the names and addresses of such entities and natural persons to the Court and counsel for the Parties no less than twenty (20) days before the Final Approval Hearing.

12.8 Upon Final Approval of the Settlement, all Class Members who do not timely and properly opt out of the Settlement shall be deemed to have, and by operation of the Final Order and Judgment shall have, fully and completely released, acquitted, and discharged the Released Parties from all Released Claims as set forth in the Settlement Agreement, and the Action will be deemed dismissed with prejudice.

12.9 Class Counsel represent and warrant that they have no other agreements with other counsel respecting Class Members, including any agreements with respect to referring, soliciting, or encouraging any Class Members to request to be excluded (or “opt out”) from this Settlement Agreement.

12.10 GM may elect to terminate this agreement if the number of Class Members who timely and validly submit requests for exclusion exceeds a number agreed to by the Parties in the separate Confidential Supplemental Agreement (the “Opt-Out Threshold”). The Parties shall seek to keep the Opt-Out Threshold confidential, except that the Parties may file the Confidential Supplemental Agreement with the Court under seal for *in camera* review. If GM elects to terminate the Settlement pursuant to this paragraph, it must give notice of its election in writing to Class Counsel within seven (7) calendar days following receipt of the Settlement Administrator’s final report detailing all valid and timely requests for exclusion.

12.11 If GM elects to terminate this Settlement Agreement pursuant to Section 12.10, above, it will be deemed null and void *ab initio*. In that event, (i) the Preliminary Approval Order and all of its provisions will be vacated; (ii) the Action will revert to the status that existed before

the Settlement Agreement's execution date; and (iii) no term or draft of this Settlement Agreement, or any part of the Parties' settlement discussions, negotiations, or documentation (including any declarations and briefs filed in support of the motion for preliminary or final approval) will have any effect or be admissible into evidence, for any purpose, in this Action or any other proceeding.

XIII. OBJECTIONS

13.1 The Parties will request that the Court enter an order requiring any Class Member who has not excluded themselves pursuant to Section XII, above, and wishes to enter an objection to be considered, to submit a written notice of objection to the Court by the deadline set in the Court's Preliminary Approval Order.

13.2 To state a valid objection to the Settlement, an objecting Class Member must provide the following information in his, her, or its written objection: (i) the case name and number of the Action, *Durwin Hampton v. General Motors LLC*, No. 6:21-cv-00250-RAW-GLJ (E.D. Okla.); (ii) the objector's full name, current residential address, mailing address (if different), telephone number, and e-mail address; (iii) an explanation of the basis upon which the objector claims to be a Class Member, including the make, model year, and VIN(s) of the Class Vehicle(s), and whether the Class Vehicle is currently owned or currently leased by the Class Member; (iv) whether the objection applies only to the objector, to a specific subset of the Class or to the entire Class, and all grounds for the objection, accompanied by any legal support for the objection, and any documents or other evidence the objector believes supports the objection; (v) copies of any documents the objector wishes to submit in support; (vi) the full name, telephone number, mailing address, and e-mail address of all counsel who represent the objector, including any former or current counsel who may be entitled to compensation for any reason related to the objection to the Settlement Agreement and/or the request for Attorneys' Fees and Expenses; (vii) a statement of whether the Class Member objecting intends to appear at the Final Approval Hearing, either with

or without counsel; (viii) the identity of all counsel (if any) who will appear on behalf of the Class Member objecting at the Final Approval Hearing and all persons (if any) who will be called to testify in support of the objection; and (ix) the original handwritten signature and date of signature of the Class Member objecting (an electronic signature or attorney's signature is not sufficient), in addition to the signature of any attorney representing the Class Member objecting in connection with the objection, and the date of the objection. In addition, any Class Member objecting to the Settlement shall provide a list of any other objections submitted by the objector, or the objector's counsel, to any class action settlements submitted in any court in the United States in the previous five (5) years including the caption and case number of each case in which the objector has made such objection and the caption and case number of any related appeal, and a copy of any orders related to or ruling upon the objector's prior such objections that were issued by the trial and appellate courts in each listed case. If the Class Member or his or her counsel has not made any such prior objection, the Class Member shall affirmatively so state in the written materials provided with the objection.

13.3 If the objecting Class Member intends to appear, in person or by counsel, at the Final Approval Hearing, the objecting Class Member must so state in the objection. Any Class Member who does not state his or her intention to appear in accordance with the applicable deadlines and other specifications, or who has not filed an objection in accordance with the applicable deadlines and other specifications, will be deemed to have waived any objections to the Settlement and can be barred from speaking or otherwise presenting any views at the Final Approval Hearing.

13.4 The Parties will request that the Court enter an order providing that the filing of an objection allows Class Counsel or GM's Counsel to notice such objecting person for and take his,

her, or its deposition consistent with the Federal Rules of Civil Procedure at an agreed-upon location, and to seek any documentary evidence or other tangible things that are relevant to the objection. Failure by an objector to make himself/herself/itself available for a deposition or comply with expedited discovery requests may result in the Court striking the objection and otherwise denying that person the opportunity to be heard. The Court may tax the costs of any such discovery to the objector or the objector's counsel should the Court determine that the objection is frivolous or made for improper purpose.

13.5 Any objector who seeks a fee for their objection shall do so as prescribed under Federal Rule of Civil Procedure 23(e)(5)(B).

13.6 These procedures and requirements for objecting are intended to ensure the efficient administration of justice and the orderly presentation of any Class Member's objection to the Settlement, in accordance with the due process rights of all Class Members.

13.7 Any Class Member who fails to file and serve a timely written objection containing all of the information listed in this Section, shall not be permitted to object to the Settlement and shall be foreclosed from seeking any review of the Settlement or the terms of the Settlement Agreement by any means, including but not limited to an appeal.

13.8 The Parties shall promptly inform the Court of any consideration sought by an objector and the circumstances of such a request.

XIV. MISCELLANEOUS

A. Choice of Law.

14.1 This Settlement Agreement shall be governed by and construed in accordance with the substantive laws of the State of Oklahoma without giving effect to any choice or conflict of law provision, or rule that would cause the application of the laws of any other jurisdiction.

B. Not Evidence.

14.2 The Parties understand and acknowledge that this Settlement Agreement constitutes a compromise and settlement of disputed claims. No action taken by the Parties, either previously or in connection with the negotiations or proceedings connected with this Settlement Agreement, shall be deemed or construed to be an admission of the truth or falsity of any claims or defenses heretofore made or an acknowledgment or admission by any party of any fault, liability or wrongdoing of any kind whatsoever to any other party.

14.3 Neither this Settlement Agreement nor any act performed or document executed pursuant to or in furtherance of it: (a) is, or may be deemed to be, or may be used as, an admission of, or evidence of, the validity of any legal claim made by Class Plaintiff or Class Members, or of any wrongdoing or liability of GM, or (b) is, or may be deemed to be, or may be used as, an admission of, or evidence of, any fault or omission of Class Plaintiff, Class Members, or Releasees in any proceeding in any court, administrative agency, or other tribunal.

14.4 This provision shall survive the expiration or voiding of the Settlement Agreement.

C. Headings.

14.5 The headings of the sections and paragraphs of this Settlement Agreement are included for convenience only and shall not be deemed to constitute part of this Settlement Agreement or to affect its construction.

D. Effect of Exhibits.

14.6 The Exhibits to this Settlement Agreement are an integral part of the Settlement and are expressly incorporated and made a part of this Settlement Agreement.

E. Entire Agreement.

14.7 This Settlement Agreement and related Exhibits, along with the Confidential Supplemental Agreement, represent the entire agreement and understanding among the Parties and

supersedes all prior proposals, negotiations, term sheets, agreements, and understandings relating to the subject matter of this Settlement Agreement. The Parties acknowledge, stipulate, and agree that no covenant, obligation, condition, representation, warranty, inducement, negotiation, or understanding concerning any part or all of the subject matter of this Settlement Agreement has been made or relied on except as expressly set forth in this Settlement Agreement. No modification or waiver of any provisions of this Settlement Agreement shall in any event be effective unless the same shall be in writing and signed by the person or Party against whom enforcement of the Agreement is sought.

F. Counterparts.

14.8 This Settlement Agreement may be executed in one or more counterparts, each of which shall be deemed an original as against any Party who has signed it, and all of which shall be deemed a single agreement.

G. Arm's-Length Negotiations.

14.9 The Parties have negotiated all terms and conditions of this Settlement Agreement at arm's length.

14.10 All terms, conditions, and exhibits in their exact form are material and necessary to this Settlement Agreement and have been relied upon by the Parties in entering into this Settlement Agreement.

14.11 The determination of the terms of, and the drafting of, this Settlement Agreement has been by mutual agreement after negotiation, with consideration by and participation of all Parties and their counsel. Since this Settlement Agreement was drafted with the participation of all Parties and their counsel, the presumption that ambiguities shall be construed against the drafter does not apply. The Parties were represented by competent and effective counsel throughout the

course of settlement negotiations and in the drafting and execution of this Settlement Agreement, and there was no disparity in bargaining power among the Parties to this Agreement.

H. Public Statements.

14.12 The Parties and their Counsel agree to keep the substance of this Settlement Agreement confidential until the date on which the Settlement Agreement is filed with the Court, provided that this Section shall not prevent GM from disclosing such information, prior to the date on which the Settlement Agreement is filed, to state and federal agencies, independent accountants, actuaries, advisors, financial analysts, insurers, or attorneys, nor shall it prevent the Parties and their Counsel from disclosing such information to persons or entities (such as courts, co-counsel, and/or administrators) to whom the Parties agree disclosure must be made in order to effectuate the terms and conditions of the Settlement Agreement; provided further that GM may disclose publicly the terms of the Settlement Agreement that it deems necessary to meet its regulatory obligations or fiduciary duties. Neither the Parties nor their Counsel shall issue (or cause any other Person to issue) any press release concerning the existence or substance of this Settlement Agreement prior to the date on which the Agreement is publicly filed with the Court.

I. Good Faith.

14.13 The Parties acknowledge that prompt approval, consummation, and implementation of this Settlement is essential. The Parties shall cooperate with each other in good faith to carry out the purposes of and effectuate this Settlement, shall promptly perform their respective obligations hereunder, and shall attempt to resolve any dispute that may arise under this Settlement in a good faith and expeditious manner.

J. Continuing Jurisdiction.

14.14 The administration and consummation of the Settlement shall be under the authority of the Court. The Parties agree the Court may retain continuing and exclusive jurisdiction

for the purpose of the administration and enforcement of this Settlement, and to enter such further orders as may be necessary or appropriate in administering and implementing the terms and provisions of the Settlement, including, but not limited to, orders enjoining Class Members from prosecuting claims that are released pursuant to the Settlement and allowing for discovery related to objectors.

K. Extensions of Time.

14.15 The Parties may agree upon a reasonable extension of time for deadlines and dates reflected in this Settlement Agreement without further notice (subject to Court approval as to court dates).

L. Service of Notice.

14.16 Whenever, under the terms of this Settlement Agreement, written notice is required to GM or Class Counsel, such service or notice shall be directed to the individuals and addresses specified below, unless those individuals or their successors give notice to the other parties in writing:

Plaintiffs,

v.

GENERAL MOTORS LLC,

Defendant.

Case No.: 6:21-CV-250-RAW-GLJ

CLASS ACTION

**[PROPOSED] ORDER
PRELIMINARILY APPROVING CLASS
ACTION SETTLEMENT, DIRECTING
NOTICE TO THE CLASSES, AND
SCHEDULING FINAL APPROVAL
HEARING**

The Parties to the above-captioned action have agreed to a proposed class action settlement, the terms and conditions of which are set forth in an executed Settlement Agreement (the “Settlement” or “Settlement Agreement”).¹ The Parties reached the Settlement through arm’s-length negotiations over a period of approximately four months, and, on January 22, 2025, participated in an all-day in person mediation with Antonio Piazza of Mediated Negotiations, Inc. Under the Settlement Agreement, subject to the terms and conditions therein and subject to final Court approval, the Action will be dismissed with prejudice, and Class Plaintiff and the Class will fully, finally, and forever resolve, discharge, and release their claims against the Released Parties in exchange for GM’s agreement to pay the non-reversionary cash Settlement Amount of Twenty-Four Million Eight-Hundred Thirty-Three Thousand Dollars (\$24,833,000.00) into the Settlement Fund to be distributed to Class Members in accordance with the Settlement Agreement.

The Settlement Agreement has been filed with the Court, and the Plaintiff have filed an Unopposed Motion for Entry of an Order Preliminarily Approving Class Action Settlement,

¹ Capitalized terms shall have the definitions and meanings accorded to them in the Settlement Agreement.

Directing Notice to the Class, and Scheduling Final Approval Hearing (the “Motion”). Upon considering the Motion, the Settlement Agreement and related documents and exhibits thereto, the record in these proceedings, the representations and recommendations of counsel, and the requirements of law, the Court finds that: (1) this Court has jurisdiction over the subject matter, the Parties to these proceedings, and members of the Classes; (2) the Class was previously certified and meets the requirements of Rule 23 of the Federal Rules of Civil Procedure²; (3) the persons and entities identified below should be appointed Class Plaintiff and Class Counsel; (4) the Settlement is the result of informed, good-faith, arm’s-length negotiations between the Parties and their capable and experienced counsel and is not the result of collusion; (5) the proposed Settlement is fair, reasonable, and adequate and should be preliminarily approved; (6) the proposed Settlement is sufficiently fair, reasonable, and adequate to warrant sending notice of the Settlement to the Class; (7) the proposed Notice Plan and proposed forms of notice satisfy Rule 23 and constitutional due process requirements and are reasonably calculated under the circumstances to apprise the Class of: the pendency of the Action, the certification of the Class, the terms of the Settlement, Class Counsel’s Application For Attorneys’ Fees and Expenses, and Service Award (“Motion for Attorneys’ Fees and Expenses”), their rights to object to the Settlement or request to be excluded from the Settlement and the Class, and the process for allocations and distribution of Settlement Payments; (8) good cause exists to schedule and conduct a Final Approval Hearing, pursuant to Rule 23(e), to assist the Court in determining whether to grant final approval of the Settlement and issue a Final Approval Order and Judgment, whether to grant Class Counsel’s Motion for Attorneys’ Fees and Expenses, whether to grant the Class Plaintiff Service Award; and

² All citations to the Rules shall refer to the Federal Rules of Civil Procedure.

(9) the other related matters pertinent to the preliminary approval of the Settlement should also be approved.

Based on the foregoing, **IT IS HEREBY ORDERED AND ADJUDGED** as follows:

1. The Court has jurisdiction over the subject matter and the Parties to this proceeding pursuant to 28 U.S.C. §§ 1331 and 1332.

2. Venue is proper in this District pursuant to 28 U.S.C. § 1391(a) because a substantial part of the events or omissions alleged by the Class Plaintiff occurred in this District.

**Class Certification and
Appointment of Class Plaintiff and Class Counsel**

3. At the preliminary approval stage, “[i]f the court has already certified a class, the only information ordinarily necessary is whether the proposed settlement calls for any change in the class certified, or of the claims, defenses, or issues regarding which certification was granted.” Fed. R. Civ. P. 23, advisory committee notes to 2018 Amendment. Here, the Court has already certified the Oklahoma Class. ECF Nos. 121 and 129 (affirming and adopting Report and Recommendation, ECF No. 121). The proposed Settlement does not call for any changes to the Class, or the claims, defenses, or issues regarding which certification was granted. Therefore, for the same reasons identified in the Court's certification orders, the certified Class satisfies adequacy, typicality, numerosity, and commonality under Rule 23(a) and predominance and superiority under Rule 23(b)(3).

4. The Court finds, for settlement purposes, that the Rule 23 factors are satisfied and that certification of the Class is appropriate under Rule 23. The Court, therefore, confirms the following certified Class for settlement purposes:

All current owners or lessees as of September 26, 2024 of a Class Vehicle that was purchased or leased in the State of Oklahoma.

Excluded from the Class are: GM; any affiliate, parent, or subsidiary of GM; any entity in which GM has a controlling interest; any officer, director, or employee of GM; any successor or assign of GM; and any judge to whom this Action is assigned, and his or her spouse; individuals and/or entities who validly and timely exclude themselves from this settlement; and current or former owners of a Class Vehicle who previously released claims in an individual settlement with GM that would otherwise be covered by the Release in this Action.

“Class Vehicles” means all 2011-2014 Chevrolet Avalanche, Silverado, Suburban, and Tahoe, and 2011-2014 GMC Sierra, Yukon, and Yukon XL trucks and SUVs with Generation IV Vortec 5300 LC9 engines manufactured on or after February 10, 2011 and purchased or leased in Oklahoma. Any vehicle that has already received adequate piston replacement (i.e., upgraded piston rings) under warranty and at no cost is excluded from the definition of Class Vehicle.

5. The Court confirms its appointment of Plaintiff Durwin Hampton as Class Plaintiff for the Class.

6. The Court confirms its appointment of Beasley, Allen, Crow, Methvin, Portis & Miles, P.C. and DiCello Levitt, LLP as Class Counsel.

Preliminary Approval of the Settlement

7. Pursuant to Rule 23(e)(2), in order to grant preliminary approval, the Court must find that the proposed Settlement is “fair, reasonable, and adequate” after considering whether: (A) the class representatives and class counsel have adequately represented the class; (B) the proposal was negotiated at arm’s length; (C) the relief provided for the class is adequate—taking into account (i) the costs, risks, and delay of trial and appeal, (ii) the effectiveness of any proposed method of distributing relief to the class, including the method of processing class-member claims, if required; (iii) the terms of any proposed award of attorney’s fees, including timing of payment; and (iv) any agreement required to be identified under Rule 23(e)(3); and (D) the proposal treats class members equitably relative to each other. Fed. R. Civ. P. 23(e)(2).

8. Preliminary approval is appropriate where the proposed settlement “appears to be

the product of serious, informed, noncollusive negotiations, has no obvious deficiencies, and does not improperly grant preferential treatment to class representatives.” *Harris v. Chevron U.S.A., Inc.*, No. CIV-15-0094-PRW, 2019 WL 5846917, at *2 (W.D. Okla. July 29, 2019).

9. The Court preliminarily approves the Settlement Agreement, including the exhibits, appended to the Motion as fair, reasonable, and adequate under Rule 23(e)(2), after taking into account that the Class Plaintiff and Class Counsel have adequately represented the Class; the Settlement was reached in the absence of collusion and is the product of informed, good-faith, arm’s-length negotiations between the Parties and their capable and experienced counsel; the relief provided is adequate given: (a) the costs, risks and delay of appeal and potential re-trial, (b) the proposed Notice Plan is sufficient to notify the Class, (c) the terms of the proposed attorney’s fees and timing of payment, and (d) the remaining terms of the Settlement Agreement. The Court also finds that the Plaintiff has submitted sufficient information for the Court to support that Class Notice should be disseminated as “the proposed settlement will likely earn final approval.” *See* Fed R. Civ. P. 23(e) advisory committee’s note to 2007 Amendment.

10. The Court further finds that the Settlement, including the exhibits, appended to the Motion is within the range of reasonableness and possible judicial approval, such that: (a) a presumption of fairness is appropriate for the purposes of preliminary settlement approval; and (b) it is appropriate to effectuate notice to the Class, as set forth in the Settlement Agreement, and schedule a Final Approval Hearing to assist the Court in determining whether to grant final approval to the Settlement and enter Judgment. *See Tennille v. W. Union Co.*, 785 F.3d 422, 434 (10th Cir. 2015).

Approval of Notice Plan and Direction to Effectuate the Notice

11. The Court approves the form and content of the notices to be provided to the Class,

substantially in the forms appended as Exhibits 3, 4, and 5 to the Settlement Agreement. The Court further approves the establishment of an internet website for the Settlement. The Court further finds that the Notice Plan, as described in the Declaration of Ryan Aldridge of EisnerAmper, the proposed Settlement Administrator, is the best practicable notice under the circumstances. The Notice Plan is reasonably calculated under the circumstances to apprise the Class of the pendency of the Action, the certification of the Class, the terms of the Settlement, their rights to object to the Settlement and Class Counsel's Motion for Attorneys' Fees and Expenses, and the request for a Service Award. The notices and Notice Plan constitute sufficient notice to all persons and entities entitled to notice. The notices and Notice Plan satisfy all applicable requirements of law, including, but not limited to, Rule 23 and the constitutional requirement of due process. The Court finds that the forms of notice are written in simple terminology, are readily understandable by Class Members and comply with the Federal Judicial Center's illustrative class action notices. The Court orders that the notices be disseminated to the Class as per the Notice Plan.

12. The Court directs that EisnerAmper shall act as the Settlement Administrator.

13. The Settlement Administrator shall implement the Notice Plan, as set forth in the Settlement, using substantially the forms of notice appended as Exhibits 3, 4, and 5 to the Settlement Agreement and approved by this Order. Notice shall be provided to the Class Members pursuant to the Notice Plan and the Settlement Administrator's declaration (Settlement Agreement, Exhibit 2), as specified in Section VIII of the Settlement Agreement and approved by this Order.

14. The Settlement Administrator shall send the Class Notice, substantially in the form attached to the Settlement Agreement as Exhibits 4 and 5, to Class Members by U.S. Mail, proper postage prepaid to Class Members, and by E-mail, where an email address is available, as

identified by data to be provided by GM to the Settlement Administrator or a similar third-party entity. The mailings of Class Notice to the persons and entities identified shall be substantially completed in accordance with the Notice Plan. The Settlement Administrator is hereby ordered to obtain such vehicle registration information from, *inter alia*, the applicable Departments of Motor Vehicles.

15. The Court authorizes the Settlement Administrator, EisnerAmper, through data aggregators or otherwise, to request, obtain and utilize vehicle registration information from Department of Motor Vehicles for Oklahoma for the purposes of providing the identity of and contact information for Class Members. Vehicle registration information includes, but is not limited to, owner/lessee name and address information, registration date, year, make and model of the vehicle.

16. The Department of Motor Vehicles for the 50 states and all United States territories and/or possessions, including the Department of Motor Vehicles for California, are ordered to provide approval to S&P Global, which licenses state motor vehicle data through its R. L. Polk & Co. (“Polk”) entity, to release the names and addresses of owners of the vehicles associated with the titles of the VINS at issue in this Action for the purposes of disseminating the Class Notice to Class Members.

17. Polk is ordered to license, pursuant to the agreement between Polk and EisnerAmper, the owner contact information solely for the use of providing the Class Notice in this Action and for no other purpose.

18. The Parties are authorized to obtain the names, mailing addresses, and contact information of Class Members from Polk.

19. The Court directs GM to provide, within seven (7) days of the entry of this

Preliminary Approval Order, to the extent it has not already done so, all Class Vehicle VINs to the Settlement Administrator, or a similar third-party entity, who shall be authorized to use that information to obtain the names and most current addresses of Class Vehicle owners through state agencies.

Final Approval Hearing and Objections

20. The Court directs that a Final Approval Hearing shall be scheduled for _____, 2025 at [_____ a.m./p.m.], to assist the Court in determining whether to grant final approval to the Settlement Agreement and enter the Final Approval Order and Judgment, and whether Class Counsel's Motion for Attorneys' Fees and Expenses and request for Service Award should be granted.

21. Any Class Member who wishes to be excluded from the Class must mail a written request for exclusion to the Settlement Administrator at the address provided in the Long Form Notice, postmarked on a date ordered by the Court, specifying that he, she, they, or it wants to be excluded and otherwise complying with the terms stated in the Long Form Notice. The Settlement Administrator shall forward copies of any written requests for exclusion to Class Counsel and GM's Counsel on a weekly basis, beginning thirty (30) days after the Notice Date. A list reflecting all requests for exclusion shall be filed with the Court by the Settlement Administrator no later than twenty (20) days before the Final Approval Hearing. If a potential Class Member files a request for exclusion, he, she, they, or it may not file an objection under Section XIII of the Settlement Agreement.

22. Any Class Member who does not file a timely written request for exclusion as provided in Section XII of the Settlement Agreement shall be bound by all subsequent proceedings, orders and judgments, including, but not limited to, the Release, Final Approval

Order and Judgment in the Action, even if he, she, they, or it has litigation pending or subsequently initiates litigation against GM relating to the claims and transactions released in the Action.

23. The Court further directs that any person or entity in the Class may object, directly or through a lawyer at his, her, or its expense, to the Settlement Agreement, the Motion for Attorneys' Fees and Expenses, and/or the requested Service Award to the Class Plaintiff. Class Members who wish to object to the Settlement must send their written objections only to the Court. All objections will be scanned into the electronic case docket, and the Parties will receive electronic notices of the filings. Objections shall be mailed to the Clerk of the Court at the following address:

- (b) The objector's full name, current residential address, mailing address (if different), telephone number, and e-mail address;

- (d) Whether the objection applies only to the objector, to a specific subset of the Class, or to the entire Class, and all grounds for the objection,

accompanied by any legal support for the objection, and any documents or other evidence the objector believes supports the objection;

- (e) Copies of any documents the objector wishes to submit in support;
- (f) The full name, telephone number, mailing address, and e-mail address of all counsel who represent the objector, including any former or current counsel who may be entitled to compensation for any reason related to the objection to the Settlement Agreement, the request for Attorneys' Fees and Expenses, and/or the requested Service Award to the Class Plaintiff;
- (g) A statement of whether the Class Member objecting intends to appear at the Final Approval Hearing, either with or without counsel;

- (i) If the objecting Class Member intends to appear, in person or by counsel, at the Final Approval Hearing, the objecting Class Member must so state in the objection. Any Class Member who does not state his or her intention to appear in accordance with the applicable deadlines and other specifications, or who has not filed an objection in accordance with the applicable deadlines and other specifications, will be deemed to have waived any objections to the Settlement and can be barred from speaking or otherwise presenting any views at the Final Approval Hearing;

- (j) Any Class Member objecting to the Settlement shall provide a list of any other objections submitted by the objector, or the objector's counsel, to any class action settlements submitted in any court in the United States in the previous five (5) years including the caption and case number of each case in which the objector has made such objection and the caption and case number of any related appeal, and a copy of any orders related to or ruling upon the objector's prior such objections that were issued by the trial and appellate courts in each listed case. If the Class Member or his or her counsel has not made any such prior objection, the Class Member shall affirmatively so state in the written materials provided with the objection; and
- (k) The original handwritten signature and date of signature of the Class Member objecting (an electronic signature or attorney's signature is not sufficient) and the signature of any attorney representing the Class Member objecting in connection with the objection, and the date of the objection.

25. Any objection that fails to satisfy these requirements and any other requirements found in the Long Form Notice shall not be considered by the Court.

27. In the event the Settlement is not approved by the Court, or for any reason the Parties fail to obtain a Final Approval Order and Judgment as contemplated in the Settlement, the Final Effective Date does not occur, or the Settlement is terminated pursuant to its terms for any reason, then the following shall apply:

- (i) This Settlement Agreement shall be null and void and shall have no force

or effect, and no Party to the Settlement Agreement will be bound by any of its terms;

(ii) The Settlement Amount shall be refunded to GM plus interest earned (net of any taxes paid on such interest), and net of all necessary and reasonable Settlement Administration Expenses incurred;

matters, claims or causes of action that are to be released in the Agreement. Pursuant to 28 U.S.C. §§ 1651(a) and 2283, the Court finds that issuance of this preliminary injunction is necessary and appropriate in aid of the Court's continuing jurisdiction and authority over the Action. Upon final approval of the Settlement, all Class Members who do not timely and validly exclude themselves from the Class shall be forever enjoined and barred from asserting any of the matters, claims or causes of action released pursuant to the Agreement against any of the Released Parties, and any such Class Member shall be deemed to have forever released any and all such matters, claims, and causes of action against any of the Released Parties as provided for in the Agreement.

The terms and provisions of the Settlement Agreement may be amended, modified, or expanded by written agreement of the Parties and approval of the Court; provided, however, that after entry of the Final Approval Order and Judgment, the Parties may by written agreement effect such amendments, modifications, or expansions of this Settlement Agreement and its implementing documents (including all exhibits) without further notice to the Class or approval by the Court if such changes are consistent with the Court's Final Approval Order and Judgment and do not limit the rights of Class Members under the Settlement Agreement.

30. The Parties may agree upon a reasonable extension of time for deadlines and dates reflected in the Settlement Agreement without further notice (subject to Court approval as to court dates).

**DECLARATION OF RYAN ALDRIDGE REGARDING PROPOSED NOTICE PLAN AND
SETTLEMENT ADMINISTRATION**

I, Ryan Aldridge, declare:

1. I am a Partner at the proposed Settlement Administrator, Eisner Advisory Group, LLC (“EAG”), a full-service administration firm providing legal administration services, including the design, development, and implementation of unbiased complex legal notification programs. We were asked by Counsel to develop and execute the proposed Notice Plan in the above-referenced matter¹. The following statements are based on my personal knowledge as well as information provided by other experienced employees working under my supervision.

2. We have undertaken the creation and execution of notice plans, along with the administration of diverse class action and mass action settlements. Our expertise extends across a wide array of subject matters, encompassing but not limited to privacy, products liability, consumer rights, mass tort, antitrust, insurance, and healthcare. The accomplished members of our team possess extensive experience in the design and implementation of notice procedures involving various aspects of class certification and settlement programs.

4. Courts have repeatedly acknowledged both the qualifications of our team (curriculum vitae attached hereto as **Exhibit A**) and the effectiveness of our class action notice plans. Illustrative court opinions affirming the sufficiency of our notice plans include:

a. On April 5, 2023, in the Order Granting Plaintiffs' Motions for Final Approval of Class Action Settlement in *Hezi v. Celsius Holdings, Inc.*, No. 1:21-cv-09892 (S.D.N.Y.), Judge Jennifer H. Rearden wrote:

The Court finds and determines that the notice procedure carried out by Claims Administrator Postlethwaite & Netterville, APAC ("P&N") afforded adequate protections to Class Members and provides the basis for the Court to make an informed decision regarding approval of the Settlement based on the responses of Class Members. The Court finds and determines that the Notice was the best notice practicable and has satisfied the requirements of law and due process.

b. In the matter *Gilmore v. Monsanto Co.*, No. 3:21-CV-8159 (N.D. Cal.), Judge Vince Chhabria ruled on March 31, 2023:

The Court finds that Class Notice has been disseminated to the Class in compliance with the Court's Preliminary Approval Order and the Notice Plan. The Court further finds that this provided the best notice to the Class practicable under the circumstances, fully satisfied due process, met the requirements of Rule 23 of the Federal Rules of Civil Procedure, and complied with all other applicable law.

c. In the matter *Rivera v. Google LLC*, No. 2019-CH-00990 (Ill. Cir. Ct. Cook Cnty.), Judge Anna M. Loftus ruled on September 28, 2022:

Pursuant to this Court's Order granting preliminary approval of the Settlement, Postlethwaite & Netterville, APAC ("P&N") served as Settlement Administrator. This Court finds that the Settlement Administrator performed all duties thus far required as set forth in the Settlement Agreement.

The Court finds that the Settlement Administrator has complied with the approved notice process as confirmed by its Declaration filed with the Court. The Court further finds that the Notice plan set forth in the

Settlement as executed by the Settlement Administrator satisfied the requirements of Due Process and 735 ILCS 5/2-803. The Notice plan was reasonably calculated and constituted the best notice practicable to apprise Settlement Class Members of the nature of this litigation, the scope of the Settlement Class, the terms of the Settlement, the right of Settlement Class Members to object to the Settlement or exclude themselves from the Settlement Class and the process for doing so, and of the Final Approval Hearing. Accordingly, the Court finds and concludes that the Settlement Class Members have been provided the best notice practicable under the circumstances, and that the Notice plan was clearly designed to advise the Settlement Class Members of their rights.

- d. Additionally, in the matter *Hanson v. Welch Foods Inc.*, No. 3:20-cv-02011 (N.D. Cal.), Judge Joseph C. Spero ruled on April 15, 2022:

The Class Notice and claims submission procedures set forth in Sections 5 and 9 of the Settlement Agreement, and the Notice Plan detailed in the Declaration of Brandon Schwartz filed on October 1, 2021, fully satisfy Rule 23 of the Federal Rules of Civil Procedure and the requirements of due process, were the best notice practicable under the circumstances, provided individual notice to all Settlement Class Members who could be identified through reasonable effort, and support the Court's exercise of jurisdiction over the Settlement Class as contemplated in the Settlement Agreement and this Order. See Fed. R. Civ. P. 23(e)(2)(C)(ii).

SETTLEMENT OVERVIEW

5. According to the Settlement Agreement, the Class is defined as:

All current owners or lessees as of September 26, 2024 of a Class Vehicle that was purchased or leased in the State of Oklahoma.

6. The **Class Vehicles** are 2011-2014 Chevrolet Avalanches, Silverados, Suburbans, and Tahoes, and 2011-2014 GMC Sierras, Yukons, Yukon XL trucks and SUVs with Generation IV Vortec LC9 engines manufactured on or after February 10, 2011. Any vehicle that has already received adequate piston replacement (*i.e.*, upgraded piston rings) under warranty and at no cost is excluded from the definition of Class Vehicle.

7. Also excluded from the Classes are: GM; any affiliate, parent, or subsidiary of GM; any entity in which GM has a controlling interest; any officer, director, or employee of GM; any successor or assign of GM; and any judge to whom this Action is assigned, and his or her spouse; individuals and/or entities who

validly and timely exclude themselves from this Settlement; and current or former owners of a Class Vehicle who previously released claims in an individual settlement with GM that would otherwise be covered by the Release in this Action.

PROPOSED NOTICE PLAN

8. Defendant has provided a database of approximately 21,150 Class Vehicles purchased from an authorized GM dealership and their associated Vehicle Identification Numbers (“VINs”). In order to identify Class Members and their relevant mailing information from VINs associated with the Class Vehicles, EAG will coordinate with S&P Global, which licenses state motor vehicle data through its R. L. Polk & Co. (“Polk”) entity, a leader in automotive data solutions, to obtain complete registration data (*i.e.* the entire registration history) for these vehicles including names, addresses, and registration dates of all individuals associated with each VIN through September 26, 2024.

9. Additionally, to identify Class Members who purchased their Class Vehicle in Oklahoma, but not from an authorized GM dealership, EAG will request that Polk provide complete registration history for all Class Vehicles registered in Oklahoma through September 26, 2024.

10. EAG will analyze the data provided by Polk to determine (a) the Class Vehicles registered in Oklahoma by the current or previous owner (but not both), and (b) the Class Vehicles that are single owner, or were purchased as Certified Pre-Owned from the list of VINs provided by GM, or where both the prior and current owners were registered in Oklahoma.

11. Following the data analysis described above, EAG will collaborate with a third-party data provider specializing in aggregating consumer data and identity verification to append email addresses and phone numbers, where available, to the names and addresses provided by Polk and determined to be Class Members (“Direct Notice List”).

12. EAG will provide individual notice to all Class Members identified in the Notice List. Where both a mailing address and an email address exist for a Class Member, they will receive a Postcard Notice and an Email Notice.

13. To account for the variations in the Classes definition, two notices have been developed in coordination with Counsel. For those Class Vehicles registered in Oklahoma by the current or previous owner (but not both), the owner identified as the current owner as of September 26, 2024 will receive instructions to confirm whether they owned the Class Vehicle as of September 26, 2024 and whether it was purchased in Oklahoma in order to be eligible for an award payment (“Identification Notice”). The segment of the Class population where the vehicle has a single owner, or purchased Certified Pre-Owned from the list of VINs provided by GM, or where the prior and current owners were both registered in Oklahoma, will receive notice that they are not required to take further action to receive their award payment, unless they validly and timely exclude themselves from the class (“Direct Payment Notice”).

Mailed Notice

14. The Identification Notice and Direct Payment Notice, attached as Exhibit 5 and 4, respectively, to the Settlement Agreement, will be formatted as a postcard (collectively, the “Postcard Notices”) and mailed via United States Postal Service (“USPS”). Prior to mailing, all mailing addresses will be checked against the National Change of Address (“NCOA”)² database maintained by USPS to ensure Class Member address information is up-to-date and accurately formatted for mailing. In addition, the addresses will be certified via the Coding Accuracy Support System to ensure the quality of the ZIP code and will be verified through Delivery Point Validation to verify the accuracy of the addresses. Should NCOA provide a more current mailing address for a Class Member, EAG will update the address accordingly. If a

² The NCOA database is maintained by the USPS and consists of approximately 160 million permanent change-of-address (“COA”) records consisting of names and addresses of individuals, families, and businesses who have filed a COA with the USPS. The address information is maintained on the database for 48 months.

postcard is returned with forwarding address information, EAG will re-mail to the forwarded address. For all postcards that are returned as undeliverable, EAG will use standard skip-tracing to obtain forwarding address information and, if skip-tracing provides a different forwarding mailing address, EAG will re-mail the notice to the address identified by the skip-trace.

Email Notice

15. EAG will also format the Identification Notice and Direct Payment Notice for distribution via email (collectively, the “Email Notices”) to all facially valid email addresses. The Email Notices will be created using embedded html text format to provide an easy-to-read format without tables, graphs or other content that may increase the likelihood of the email landing in SPAM folders and/or being blocked by Internet Service Providers (“ISPs”)³. Additionally, EAG includes “unsubscribe” links and the Administrator contact information, which follows standard email best practices.

16. Prior to sending, emails are put through a hygiene and verification process to protect the integrity of the email campaign and maximize deliverability. Steps included deduplication, syntax validation, misspelled domain detection and correction, domain validation, and risk validation. Emails that pass the hygiene and verification process will be batched into small groups and sent over multiple days to decrease the likelihood of being erroneously flagged as bulk junk email. EAG will track and report to the Court all email delivery attempts. If an item is returned as undeliverable, commonly referred to as a “bounce,” the reason is noted. If the email address is noted as non-existent as attempted, this is referred to as a “hard bounce,” and no additional attempts to deliver the Email Notice to that email address will be made. Responses

³ ISPs assign scores, or sender reputation, to domains and IP addresses that tells email inbox providers if the email should be delivered to the recipient’s inbox or directed to the spam folder. The sender reputation is determined by multiple factors such as: the timing and number of emails sent from the IP/domain; number of recipients that have marked incoming mail from the sender as spam; number of emails that are delivered directly to spam boxes; number of emails that bounce back; number of recipients that interact with the email (e.g., open, reply, forward or delete); quality of the content within the email (e.g., typos); the number of users that unsubscribe; and many other factors.

where the inbox is full, the attempt is initially blocked or deferred by the ISP, or any other circumstances that prevents delivery are referred to as “soft” bounces. To limit the number of undelivered emails as a result of soft bounces, EAG will make additional email attempts to addresses experiencing a soft bounce. If an email remains undeliverable after subsequent attempts, it will be deemed undeliverable, and no additional delivery attempts would be pursued for that particular email address.

DATA SECURITY POLICIES

21. Our firm routinely manages a broad range of confidential and highly sensitive information. To ensure privacy and data protection, we maintain industry-leading practices and follow industry accepted standards as endorsed by the National Institute of Standards and Technology (NIST), HITRUST, CIS Critical Security Controls (CIS Controls). Moreover, our certified data centers, meet stringent compliance regulations – PCI, HIPAA, FINRA, Sarbanes-Oxley, and Gramm-Leach-Bliley – and undergo annual SSAE16 SOCII audits.

22. Eisner Advisory Group LLC and all applicable subsidiaries maintain their network environment with a managed data center provider with locations exclusively in the U.S. The environment is protected at the perimeter with next-generation firewalls, DMZ, and 24/7 Intrusion Detection & Prevention services. On the interior, activities are monitored with Web Application Firewalls, inbound/outbound Internet and Email filtering, Data Loss Prevention, and Endpoint Detection & Response systems on every endpoint and server. System patching and vulnerability remediation are fully automated. User access rights are assigned under the Principle of Least Privilege with enforcement via zero trust micro-segmentation, strict

group access permissions, and disabled local administrator rights. All remote connections require multifactor authentication. All internal data is encrypted using TLS 1.3 in transit, and AES256 or higher at rest. Internal information receives daily backups to maintain a maximum RPO (Recovery Point Objective) of 24 hours. The Technology and Human Resources teams maintain a direct connection between the network access management system and HR system, so user provisioning/deprovisioning for new hires and terminations is automatic. All users receive mandatory Information Security and Social Engineering training on an annual basis.

23. In addition to these measures, we maintain comprehensive insurance coverage, including network security insurance, providing protection in the event of any breach. Furthermore, consumer data is strictly confined to the agreed-upon purpose of administering the Settlement. These policies underscore our commitment to safeguarding sensitive information and distinguishes us within the legal notice and settlement administration field.

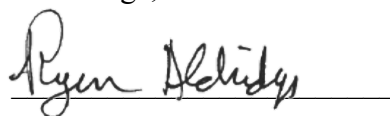

CONCLUSION

24. The proposed Notice Plan encompasses individualized Class Notice written in accordance with plain language guidance – to all members of the Classes who can be identified through reasonable efforts. This Notice Plan will provide the best notice that is practicable under the circumstances.

25. It is my opinion, based on my experience, as well as the expertise of my team, that this method of focused notice dissemination provides effective notice in this Settlement, will provide the best notice that is practicable, adheres to Fed. R. Civ. P. 23, follows the guidance set forth in the Manual for Complex Litigation 4th Ed. and FJC guidance, and exceeds the requirements of due process, including its “desire to actually inform” requirement.

26. I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

- **McMorrow, et al. v. Mondelez International, Inc.**, No. 17-cv-02327 (S.D. Cal.), Judge Cynthia Bashant on April 8, 2022:

Notice was administered nationwide and achieved an overwhelmingly positive outcome, surpassing estimates from the Claims Administrator both in the predicted reach of the notice (72.94% as compared to 70%) as well as in participation from the class (80% more claims submitted than expected). (Schwartz Decl. ¶ 14, ECF No. 206-1; Final App. Mot. 3.) Only 46 potential Class Members submitted exclusions (Schwartz Decl. ¶ 21), and only one submitted an objection—however the objection opposes the distribution of fees and costs rather than the settlement itself. (Obj. 3.) The Court agrees with Plaintiffs that the strong claims rate, single fee-related objection, and low opt-out rate weigh in favor of final approval.

BASIC INFORMATION

1. Why is there a Notice?

You have the right to know about a proposed Settlement of a class action lawsuit, and about your options, before the Court decides whether to approve the Settlement.

Judge Ronald A. White of the United States District Court for the Eastern District of Oklahoma is overseeing this lawsuit (the “Court”). The lawsuit is known as *Hampton v. General Motors LLC*, and the case number is 6:21-cv-250-RAW-GLJ. If you have received a notice, records of state departments of motor vehicles show that you may have purchased or leased a Class Vehicle in Oklahoma.

The “Class Vehicles” are: 2011-2014 Chevrolet Avalanches, 2011-2014 Chevrolet Silverados, 2011-2014 Chevrolet Suburbans, 2011-2014 Chevrolet Tahoes, 2011-2014 GMC Sierras, 2011-2014 GMC Yukons, and the 2011-2014 GMC Yukon XLs with LC9 engines and manufactured on or after February 10, 2011 (“LC9 Engines”). Any vehicle that has already received adequate piston replacement (*i.e.*, upgraded piston rings) under warranty and at no cost is excluded from the Class.

2. What is this lawsuit about?

Plaintiffs allege that the LC9 Engines in the Class Vehicles contain an inherently defective piston assembly and that the defect causes excessive engine wear in every Class Vehicle. Plaintiffs allege that excessively worn piston rings leads to excessive oil consumption, which causes spark plug fouling, rough idling, rough acceleration, check engine light activation, engine shutdown commands from the instrument cluster, oil loss/burn and may eventually lead to permanent engine damage or shutdown.

Plaintiffs further allege that GM was aware of the alleged defect and they seek to recover economic damages. Plaintiffs are not pursuing claims for personal injuries or damage to other property.

GM denies any wrongdoing or liability for the claims alleged and specifically denies that any Class Vehicle is defective.

3. Why is this a class action?

In a class action lawsuit, people called the “Class Plaintiffs” sue on behalf of themselves and other people who have similar claims. All of the people together are called a “Class” or “Class Members.” The company the Class Plaintiff has sued, General Motors LLC (“GM”), is called the Defendant. One court resolves the issues for everyone in the Class, except for those people who exclude themselves from the Class.

4. Why is there a Settlement?

GM denies that it did anything wrong. The parties have agreed to a Settlement, which will allow both sides to avoid the risk and cost of further litigation. The Court has not decided in favor of the Class Plaintiff or GM.

WHO IS IN THE SETTLEMENT

5. How do I know if I am part of the Settlement?

The Settlement Class includes all current owners or lessees as of September 26, 2024 of a Class Vehicle that was purchased or leased in the State of Oklahoma.

The **Class Vehicles** are 2011-2014 Chevrolet Avalanches, 2011-2014 Chevrolet Silverados, 2011-2014 Chevrolet Suburbans, 2011-2014 Chevrolet Tahoes, 2011-2014 GMC Sierras, 2011-2014 GMC

Any questions? Visit www.OklahomaGMEngineLitigation.com or call 1-xxx-xxx-xxxx.

Yukons, and the 2011-2014 GMC Yukon XLs with LC9 engines manufactured on or after February 10, 2011. Any vehicle that has already received adequate piston replacement (*i.e.*, upgraded piston rings) under warranty and at no cost is excluded from the Class.

Also excluded from the Class are: GM; any affiliate, parent, or subsidiary of GM; any entity in which GM has a controlling interest; any officer, director, or employee of GM; any successor or assign of GM; and any judge to whom this Action is assigned, and his or her spouse; and current or former owners of a Class Vehicle who previously released their claims in an individual settlement with GM which claims would otherwise be covered by the Release in this Action.

6. I am still not sure if I am included.

If you are not sure whether you are a Class Member, or have any other questions about the Settlement, you should visit the Settlement Website, www.OklahomaGMEngineLitigation.com, or call the Settlement Administrator toll-free at (xxx) xxx-xxxx. Do not call the Court.

WHAT ARE THE TERMS OF THE SETTLEMENT?

7. What types of relief does the Settlement Provide?

The Settlement provides monetary relief to all Class Members. All Class Members will be entitled to a *pro rata* share of a \$24,883,000 Settlement Amount. The amount that each Class Member will receive will depend on the final number of Class Members, the total amount of Settlement Expenses, including the costs of Class Notice and administration, attorneys' fees and costs, and Service Awards, awarded by the Court.

8. How do I get a payment?

If you received a mailed or email notice that does not ask you to complete the Identification Form, you are entitled to a direct payment, and you do not need to file a claim. You will receive a direct payment from the Settlement Administrator. It is in your best interest to provide the Settlement Administration with a completed IRS Form W-9 through the Settlement Website or by mail. Failure to provide a completed Form W-9 will result in a Federal Income Tax backup withholding of 24%. To avoid potential tax complications down the line, it is strongly in your best interest to submit a completed W-9 form.

IMPORTANT: If you received Notice to complete the Class Member Identification Form and meet the Class definition, you must complete the Class Identification Form in order to receive a payment. To complete the form online or to download a form, visit www.OklahomaGMEngineLitigation.com. You must complete the form, and it must be postmarked or received no later than **Month DD, 2025**.

If you are unsure what notice you received, enter the Claim ID found on your Notice to verify what action you need to take, if any, to receive your payment.

9. What am I giving up to get a payment?

If you are a Class Member and do not exclude yourself from the Class, you cannot sue, continue to sue, or be a part of any other lawsuit against GM for claims released in this settlement. It also means that all decisions by the Court in this case will bind you.

The Released Claims and Releasees are defined in the Settlement Agreement. The Released Claims relate to the Oil Consumption Defect alleged in the lawsuit, and are defined in the Settlement Agreement. Both the Settlement Agreement and the operative complaint are available on the

Any questions? Visit www.OklahomaGMEngineLitigation.com or call 1-xxx-xxx-xxxx.

Settlement Website, www.OklahomaGMEngineLitigation.com. The Released Claims do not include claims for deaths, personal injury, or damage to tangible property other than a Class Vehicle.

PARTICIPATING IN THE SETTLEMENT

10. How do I update my contact information?

If you received a mailed or email notice and would like to update your contact information, you must contact the Settlement Administrator at www.OklahomaGMEngineLitigation.com, call xxx-xxx-xxxx, or mail to:

GM 5300 LC9 Class Action
P.O. Box xxx
Baton Rouge, LA 70821

11. How do I provide an IRS Form W-9?

If you received a notification from the GM 5300 LC9 Class Action Administrator it is in your best interest to provide a copy of an IRS Form W-9. Please either (a) visit the Settlement Website, www.OklahomaGMEngineLitigation.com, and submit your form online, or (b) print, fill out, and mail the form to the Settlement Administrator at the following address: GM 5300 LC9 Class Action, P.O. Box XXX, Baton Rouge, LA 70821. The deadline for submitting is [Deadline]. Failure to provide a completed Form W-9 will result in a Federal Income Tax backup withholding of 24%. Due to the anticipated value of Settlement Payments, the Settlement Administrator will be required by IRS regulations to issue a Form 1099 whether or not you complete a Form W-9. To avoid potential future tax complications, it is in your best interest to submit a completed Form W-9.

12. When will I get a payment?

Settlement Payments will be made after the Final Effective Date, as defined in the Settlement Agreement. This will be after the Court grants “final approval” to the Settlement, and after any appeals are resolved. If the Court approves the Settlement, there may be appeals. It is always uncertain when these appeals will be resolved and resolving them can take time.

13. Do I need to make a claim to receive a payment?

If you received a mailed or email notice that does not ask you to complete the Identification Form, you are entitled to a direct payment, and you do not need to file a claim or take any further action. You will receive a direct payment from the Settlement Administrator.

IMPORTANT: If you received Notice to complete the Class Member Identification Form and meet the definition of a Class Member, you must complete the Class Identification Form in order to receive a payment. To complete the form online or to download a form, visit www.OklahomaGMEngineLitigation.com. You must complete the form, and it must be postmarked or received no later than **Month DD, 2025**.

If you are unsure what notice you received, enter the Claim ID found on your Notice to verify what action you need to take, if any, to receive your payment.

Any questions? Visit www.OklahomaGMEngineLitigation.com or call 1-xxx-xxx-xxxx.

EXCLUDING YOURSELF FROM THE SETTLEMENT

14. How do I get out of the Settlement?

If you do not want to be bound by this Settlement, you must request to be excluded from the Class. If you request to be excluded, you will retain any individual rights you have against Defendant and will not have “released” it from any of the Released Claims. However, you will not be eligible to receive compensation under the Settlement, as described above. You also may not object to the Settlement if you request to be excluded.

To exclude yourself (or “opt-out”) from the Settlement, you must mail to the Settlement Administrator at the below address a written request to be excluded.

Your written exclusion request must contain:

- (a) the name of this lawsuit: Hampton. v. General Motors, LLC, No. 6:21-cv-250-RAW-GLJ;
- (b) your full name, address, email and phone number;
- (c) the model, model year, Vehicle Identification Number (“VIN”) of the Class Vehicle(s), the dealership name, city and state, and approximate date(s) of purchase or lease;
- (d) state that you wish to be excluded from the Settlement; and
- (e) handwritten signature by you or your attorney (an electronic signature or attorney’s signature is not sufficient).

You must send your exclusion request to the address listed below:

GM 5300 LC9 Class Action
P.O. Box xxx
Baton Rouge, LA 70821

15. If I don’t exclude myself, can I sue Defendant for the same thing later?

No. Unless you exclude yourself, you give up any right to sue Defendant for the claims that this Settlement resolves (i.e., those claims defined in the Settlement Agreement as the “Released Claims”). If you have a pending lawsuit against Defendant regarding similar claims, speak to your lawyer in that lawsuit immediately. You may need to exclude yourself from this Settlement to continue your own lawsuit. If you properly exclude yourself from the Settlement, you will not be bound by any orders or judgments entered in the Action relating to the Settlement.

16. If I excluded myself, can I still get a payment?

No. You will not get any money from the Settlement if you excluded yourself.

OBJECTING TO THE SETTLEMENT

17. How do I tell the Court if I do not like the Settlement?

If you are a Class Member, you can ask the Court to deny approval by filing an objection. You cannot ask the Court to order a different settlement; the Court can only approve or reject the Settlement. If the Court denies approval, no Settlement Payments will be sent out, and the lawsuit will continue.

Any questions? Visit www.OklahomaGMEngineLitigation.com or call 1-xxx-xxx-xxxx.

Any objection to the proposed Settlement must be in writing. If you submit a timely written objection, you may, but are not required to, appear at the Final Approval Hearing, either in person or through your own attorney. If you appear through your own attorney, you are responsible for hiring and paying that attorney.

All written objections and supporting papers must include:

- (a) the name and case number of this lawsuit: *Hampton v. General Motors LLC*, No. 6:21-cv-250-RAW-GLJ;
- (b) your full name, address, email and phone number;
- (c) an explanation of your objection, including the make, model year, and VIN(s) of the Class Vehicle(s), and whether the Class Vehicle is currently owned or currently leased by the Class Member;
- (d) whether the objection applies only to you, to a specific group within the Class, or to the entire Class. You must also include all reasons for the objection, any legal support for it, and any documents or other evidence you believe supports your objection;
- (e) copies of any documents the you wish to submit in support;
- (f) the full name, telephone number, mailing address, and e-mail address of counsel representing you, including any former or current counsel who may be entitled to compensation for any reason related to the objection to the Settlement Agreement and/or the request for Attorneys' Fees and Expenses;
- (g) a statement of whether you intend to appear at the Final Approval Hearing, either with or without counsel;
- (h) the identity of all counsel (if any) who will appear on your behalf at the Final Approval Hearing and all persons (if any) who will be called to testify in support of the objection; and
- (i) your handwritten signature and date of signature (an electronic signature or attorney's signature is not sufficient), in addition to the signature of any attorney representing you in connection with the objection, and the date of the objection.
 - a. In addition, you must provide a list of any other objections you've submitted, or your counsel has submitted, to any class action settlements in any court in the United States in the previous five (5) years including the caption and case number of each case in which the objector has made such objection and the caption and case number of any related appeal, and a copy of any orders related to or ruling upon the objector's prior such objections that were issued by the trial and appellate courts in each listed case. If the Class Member or his or her counsel has not made any such prior objection, the Class Member shall affirmatively so state in the written materials provided with the objection.

Objections must be mailed to the Clerk, United States District Court for the Eastern District of Oklahoma, PO Box 607, Muskogee, OK 74402, postmarked on or before [Objection Date].

18. What is the difference between objecting and excluding myself?

Objecting is telling the Court that you do not like something about the Settlement. You can object to the Settlement only if you do not exclude yourself from the Settlement. Excluding yourself from the Settlement is telling the Court that you do not want to be part of the Settlement. If you exclude yourself from the Settlement, you have no basis to object to the Settlement because it no longer affects you.

Any questions? Visit www.OklahomaGMEngineLitigation.com or call 1-xxx-xxx-xxxx.

Therefore, if you submit both a Request for Exclusion Form and Objection, you will be deemed to have opted out of the Settlement, and thus to be ineligible to object. However, any objecting Class Member who has not timely submitted a completed Request for Exclusion Form will be bound by the terms of the Agreement upon the Court's final approval of the Settlement.

THE ATTORNEYS REPRESENTING YOU

19. Do I have an attorney in this case?

Yes. The Court has appointed Beasley, Allen, Crow, Methvin, Portis & Miles, P.C., and DiCello Levitt LLP as Class Counsel. The lawyers will be compensated from the Settlement Fund, in an amount to be determined by the Court. If you want to be represented by your own lawyer, you may hire one at your own expense.

20. How will the attorneys be paid?

Class Counsel spent considerable time litigating this matter on a purely contingent fee basis, and advanced the expenses of the litigation, in the expectation that they would receive a fee, and have expenses reimbursed, only if there was a benefit created for the Class.

Class Counsel will file a motion on or before [Fee Motion Deadline] seeking an award of up to thirty-eight percent (38%) of the Settlement Fund in fees, and reimbursement of case expenses. Class Counsel will also seek on behalf of the Class Plaintiff a Service Award in the amount of fifteen thousand dollars (\$15,000). The Court will determine the amount of fees, expenses, and service awards that will be paid from the Settlement Fund.

After Class Counsel's motion for attorneys' fees, expenses, and service awards is filed on or before [Fee Motion Deadline], it will be posted on the Settlement Website, www.OklahomaGMEngineLitigation.com, and you will have an opportunity to review and comment on the motion via an Objection.

THE COURT'S FINAL APPROVAL HEARING

21. When and where will the court decide whether to approve the Settlement?

The Court will hold a Final Approval Hearing (sometimes called a "fairness hearing") on [DATE], at [time]. **PLEASE NOTE THAT the date of the final approval hearing date may change without further notice to the Class.** It is strongly advised to check the Settlement Website or the Court's PACER site to confirm that the date has not been changed.

At the Final Approval Hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. The Court will also consider how much to award to Class Counsel and the Class Representative. If there are objections, the Court will consider them at this time. After the hearing, the Court will decide whether to approve the Settlement.

22. Do I have to come to the hearing?

No. Class Counsel will answer any questions that the Court may have, but you may come at your own expense. If you submit an Objection, you do not have to come to the Court to talk about it. As long as you filed or mailed your written objection to the proper addresses, the Court will consider it. You may also pay your own lawyer to attend, but it is not necessary.

23. May I speak at the hearing?

Any questions? Visit www.OklahomaGMEngineLitigation.com or call 1-xxx-xxx-xxxx.

Yes. You may appear and speak at the Final Approval Hearing. Class Members who wish to appear are requested, but not required, to mail to the Court a Notice of Intent to Appear.

For objecting Class Members who are represented by an attorney, the attorney must file with the Court a notice of appearance and Points and Authorities in support of the objection, which shall contain any and all legal authority upon which the objector will rely and confirm whether the attorney intends to appear at the Final Approval Hearing. Copies of these documents must be filed with the Court and delivered to Class Counsel and Defendant's Counsel no later than **Month DD, 2025**.

If you exclude yourself, however, you may not appear and be heard.

WHAT HAPPENS IF YOU DO NOTHING?

24. What happens if I do nothing?

If you do nothing, you will be a member of the Class and will be bound by the release of Claims in this Settlement, and you will be issued a Settlement Payment.

IMPORTANT: If you receive a notice by mail or email to complete the Class Member Identification Form, and timely complete the form, you may be issued a Settlement Payment. You do not need to file a claim to receive a payment under the Settlement. Your Settlement Payment in the form of a check will be sent directly to you. It is strongly recommended that you complete and submit an IRS Form W-9 on the Settlement Website (www.OklahomaGMEngineLitigation.com) by [Month DD, 2025] to prevent required Federal Income Tax backup withholding of 24%.

Opt-Out or Object: If you opt-out or request exclusion, you will retain your rights to sue GM separately; however, you will not be eligible to receive a payment. You must submit a request for exclusion by mail, postmarked on or before [Exclusion Deadline]. Detailed instructions are available on the Settlement Website. You do not need to appear at the hearing but you may come at your own expense. The Court has appointed Beasley, Allen, Crow, Methvin, Portis & Miles, P.C. and DiCello Levitt LLP as Class Counsel. If you want to be represented by your own lawyer, you may hire one at your own expense.

You May Be a Class Member Entitled to a Substantial Cash Payment If You Purchased or Leased a Model Year 2011-2014 Chevrolet Avalanche, Silverado, Suburban, or Tahoe, or a Model Year 2011-2014 GMC Sierra, Yukon, or Yukon XL Vehicle Equipped with a Generation IV LC9 5.3 Liter V8 Vortec 5300 Engine in Oklahoma.

Notice is available at www.OklahomaGMEngineLitigation.com or by calling (xxx) xxx-xxxx.

**UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF OKLAHOMA**

DURWIN HAMPTON, individually and
on behalf of all others similarly situated,

Plaintiffs,

v.

GENERAL MOTORS LLC,

Defendant.

Case No.: 6:21-CV-250-RAW-GLJ

CLASS ACTION

**[PROPOSED] FINAL ORDER
HEARING**

WHEREAS, the Court, having considered the Settlement Agreement filed _____, 2025 (the “Settlement Agreement”) between and among Class Plaintiff, through Class Counsel, and Defendant General Motors LLC. (“GM”), the Court’s _____, 2025 Order Granting Preliminary Approval of the Class Settlement, Directing Notice to the Class, and Scheduling Final Approval Hearing (ECF No. ____) (the “Preliminary Approval Order”), the Motion for Final Approval of the Class Settlement (ECF No. ____) (“Motion for Final Approval”), Class Counsel’s Application for Attorneys’ Fees, Reimbursement of Expenses, and Service Awards (ECF No. ____) (“Motion for Attorneys’ Fees and Expenses”), having held a Final Approval Hearing on _____, 2025, and having considered all of the submissions and arguments with respect to the Settlement Agreement and related documents and exhibits, and otherwise being fully informed, and good cause appearing therefore;

IT IS HERBY ORDERED AS FOLLOWS:

1) This Final Order Approving Class Action Settlement (“Final Order”) incorporates herein and makes a part hereof, the Settlement Agreement and its exhibits, and the Preliminary Approval Order. Unless otherwise provided herein, the terms defined in the Settlement Agreement

and Preliminary Approval Order shall have the same meanings for purposes of this Final Order and accompanying Judgment.

2) The Court has jurisdiction over the subject matter and the Parties to this proceeding pursuant to 28 U.S.C. §§ 1331 and 1332.

3) Venue is proper in this District pursuant to 28 U.S.C. § 1391(a) because a substantial part of the events or omissions alleged by the Class Plaintiff occurred in this District.

4) Based on the record before the Court, including all submissions in support of the Settlement set forth in the Settlement Agreement, objections and responses thereto and all prior proceedings in the Action, as well as the Settlement Agreement itself and its related documents and exhibits, the Court hereby confirms the certification of the following Class for settlement purposes:

All current owners or lessees as of September 26, 2024 of a Class Vehicle that was purchased or leased in the State of Oklahoma.

Excluded from the Class are: GM; any affiliate, parent, or subsidiary of GM; any entity in which GM has a controlling interest; any officer, director, or employee of GM; any successor or assign of GM; and any judge to whom this Action is assigned, and his or her spouse; individuals and/or entities who validly and timely exclude themselves from this settlement; and current or former owners of a Class Vehicle who previously released claims in an individual settlement with GM that would otherwise be covered by the Release in this Action.

“Class Vehicles” means all 2011-2014 Chevrolet Avalanche, Silverado, Suburban, and Tahoe, and 2011-2014 GMC Sierra, Yukon, and Yukon XL trucks and SUVs with Generation IV Vortec 5300 LC9 engines manufactured on or after February 10, 2011 and purchased or leased in Oklahoma. Any vehicle that has already received adequate piston replacement (i.e., upgraded piston rings) under warranty and at no cost is excluded from the definition of Class Vehicle.

5) The Court finds that only those individuals and entities listed on Appendix A to this Order have timely and properly excluded themselves from the Class and, therefore, are not bound by this Final Order.

6) The Court confirms the appointment of Plaintiff Durwin Hampton as Class Plaintiff for the Class.

7) The Court confirms the appointment of the following law firms as Class Counsel:

Beasley, Allen, Crow, Methvin, Portis & Miles, P.C.
218 Commerce Street
Montgomery, Alabama 36104
Tel.: (800) 898-2034

DiCello Levitt LLP
Ten North Dearborn Street, Sixth Floor
Chicago, IL 60602
Tel: (312) 214-7900

Notice to Class Members

8) The record shows and the Court finds that Class Notice has been given to the Class in the manner approved by the Court in its Preliminary Approval Order (ECF No. ____). The Court finds that such Class Notice: (i) is reasonable and constitutes the best practicable notice to Class Members under the circumstances; (ii) constitutes notice that was reasonably calculated, under the circumstances, to apprise Class Members of the pendency of the Action and the terms of the Settlement Agreement, their right to request to be excluded from the Settlement and the Class, their right to object to all or any part of the Settlement Agreement, their right to appear at the Final Approval Hearing (either on their own or through counsel hired at their own expense) and the binding effect of the orders and Final Order and Judgment in the Action, whether favorable or unfavorable, on all Class Members; (iii) constitutes due, adequate, and sufficient notice to all persons or entities entitled to receive notice; and (iv) fully satisfied the requirements of the United

States Constitution (including the Due Process Clause), Fed. R. Civ. P. 23 and any other applicable law as well as complying with the Federal Judicial Center's illustrative class action notices.

9) The Court further finds that GM, through the Settlement Administrator, provided notice of the Settlement to the appropriate state and federal government officials pursuant to 28 U.S.C. § 1715. Furthermore, the Court has given the appropriate state and federal government officials the requisite ninety (90) day period to comment on or object to the Settlement Agreement before entering its Final Order and Judgment.

Final Approval of the Settlement

10) The Court finds that the Settlement Agreement resulted from extensive arm's length, good faith negotiations between Class Counsel and GM, through experienced counsel, including an in-person, all-day mediation before Antonio Piazza of Mediated Negotiations, Inc.

11) Pursuant to Fed. R. Civ. P. 23(e), the Court hereby finally approves, in all respects, the Settlement as set forth in the Settlement Agreement and finds that the Settlement Agreement, and all other parts of the Settlement are, in all respects, fair, reasonable, and adequate, and in the best interest of the Class and are in full compliance with all applicable requirements of the Federal Rules of Civil Procedure, the United States Constitution (including the Due Process Clause), the Class Action Fairness Act, and any other applicable law. The Court hereby declares that the Settlement Agreement is binding on all Class Members, except those identified on Appendix A, and it is to be preclusive in the Action. The decisions of the Settlement Administrator relating to the review, processing, and distribution of Settlement Payments pursuant to the Agreement are final, subject to the dispute resolution provisions of the Settlement Agreement, and are not appealable.

12) In its Preliminary Approval Order, the Court evaluated the factors identified below to determine whether the Settlement Agreement is fair, reasonable, and adequate under Rule 23. (See Preliminary Approval Order at ____.) The Court sees no reason to depart from its previous conclusion as to these factors. For this reason, and based on the Court’s review of Class Members’ reactions to the proposed Settlement Agreement, the Court concludes that the Settlement Agreement is fair, reasonable and adequate. This conclusion is based on, among other things, the following factors: (1) whether “the settlement was fairly and honestly negotiated”; (2) whether “serious legal and factual questions placed the litigation’s outcome in doubt”; (3) whether “the immediate recovery was more valuable than the mere possibility of a more favorable outcome after further litigation”; and (4) whether the parties “believed the settlement was fair and reasonable.” *Tennille v. Western Union Co.*, 785 F.3d 422, 434 (10th Cir. 2015). Furthermore, the Court finds that the four factors included in Rule 23(e) also weigh in favor of approving the settlement: (1) the adequacy of representation by class representatives and class counsel; (2) whether settlement negotiations were done fairly at arm’s length; (3) the adequacy of relief provided under the settlement—taking into account (i) the costs, risks, and delay of trial and appeal, (ii) the effectiveness of the proposed methods of distributing relief to the class, including the method of processing class-member claims, if required, (iii) the terms of any proposed award of attorney’s fees, including timing of payment, and (iv) any agreement required to be identified under Rule 23(e)(3); and (4) the equity of treatment of class members relative to one another. Fed. R. Civ. P. 23(e)(2) (amended Dec. 2018).

13) The Parties are hereby directed to implement and consummate the Settlement according to the terms and provisions of the Settlement Agreement. In addition, the Parties are authorized to agree to and adopt such amendments and modifications to the Settlement Agreement

as: (i) shall be consistent in all material respects with this Final Order, and (ii) do not limit the rights of the Class.

14) The Court has considered all objections, timely and proper or otherwise, to the Settlement Agreement and denies and overrules them as without merit.

Attorneys' Fees, Expenses, and Service Awards

1) The Court finds, upon review of the Settlement, all papers filed and proceedings held herein in connection with the Settlement [including the Motion, the Declarations of Class Counsel and all documents attached thereto], all oral and written comments received regarding the Settlement, the record in the action, and considering (1) the time and labor required, (2) the novelty and difficulty of the questions presented by the litigation, (3) the skill required to perform the legal services properly, (4) the preclusion of other employment by the attorneys due to acceptance of the case, (5) the customary fee, (6) whether the fee is fixed or contingent, (7) time limitations imposed by the client or the circumstances, (8) the amount in controversy and the results obtained, (9) the experience, reputation and ability of the attorneys, (10) the undesirability of the case, (11) the nature and length of the professional relationship with the client, and (12) awards in similar cases, *Sagacity, Inc. v. Cimarex Energy Co.*, 2024 WL 2923720, at *3 (E.D. Ok. June 10, 2024), that Class Counsel's requested fees in the amount of \$_____ and reimbursement of expenses in the amount of \$_____, totaling _____ percent (___%) of the Twenty-Four Million Eight Hundred Thirty-Three Thousand (\$24,833,000) Settlement Fund, is appropriate, fair, and reasonable.

2) The Court hereby grants Class Counsel's request for an award of reasonable attorneys' fees and reimbursement of expenses in the amount of \$_____. The Court directs these fees and expenses to be paid from the Settlement Fund in accordance with the Settlement Agreement and authorizes Class Counsel to allocate the fee award pursuant to their agreement.

3) The Court also approves Class Counsel's request to pay a service award in the amount of Fifteen Thousand Dollars (\$15,000) to Durwin Hampton, who assisted in the prosecution of this case, participated in discovery, and was deposed. This amount is fair and reasonable compensation for Plaintiff's efforts in prosecuting the claims in the Settlement Agreement. The Court directs this Service Award to be paid from the Settlement Fund in accordance with the Settlement Agreement.

4) All payments shall be made by wire transfer to Beasley, Allen, Crow, Methvin, Portis & Miles, P.C. ("Class Counsel Designee") within fifteen (15) business days of the Final Effective Date. Class Counsel Designee shall thereafter have sole responsibility to distribute the portions of said payment to the other Class Counsel, Plaintiff's Counsel and the Class Plaintiff.

Dismissal of Claims and Release

5) All claims asserted against GM in the Action are hereby dismissed with prejudice on the merits and without costs to any party, except as otherwise provided herein or in the Settlement Agreement.

6) Upon entry of this Final Order and the Judgment, Plaintiff and each member of the Class irrevocably release, waive, and discharge any and all past, present, and future disputes, claims, causes of action, demands, debts, liens, suits, liabilities, obligations, rights of action, damages, costs, attorneys' fees, losses, or remedies of any kind that have been brought or could have been brought, whether known or unknown, existing or potential, or suspected or unsuspected relating to the alleged Oil Consumption Defect in the Class Vehicles, whether arising under statute (including a state lemon law), rule, regulation, common law or equity, and including, but not limited to, any and all claims, causes of action, rights or entitlements under any federal, state, local or other statute, law, rule and/or regulation, any claims relating to violation of any consumer

protection, consumer fraud, unfair business practices or deceptive trade practices laws, any legal or equitable theories, any claims or causes of action in tort, contract, products liability, negligence, fraud, misrepresentation, concealment, consumer protection, restitution, quasi contract, unjust enrichment, express warranty, implied warranty, secret warranty and/or any injuries, losses, damages or remedies of any kind, in law or in equity, under common law, statute, rule or regulation, including, but not limited to, compensatory damages, economic losses or damages, exemplary damages, punitive damages, statutory damages, restitution, recovery of Attorneys' Fees or litigation costs, or any other legal or equitable relief against Releasees, whether or not specifically named herein, asserted or unasserted, and all legal claims of whatever type or description arising out of, that may have arisen as a result of, or which could have been brought based on, any of the facts, acts, events, transactions, occurrences, courses of conduct, representations, omissions, circumstances or other matters pleaded in complaints filed in the Action related to the alleged Oil Consumption Defect; provided, however, that notwithstanding the foregoing, Class Plaintiff and the other Class Members are not releasing claims for (i) death, (ii) personal injury, or (iii) damage to tangible property other than a Class Vehicle.

7) Upon entry of this Final Order and the Judgment, GM and their past or present officers, directors, employees, agents, attorneys, predecessors, successors, affiliates, subsidiaries, divisions, successors and assigns shall be deemed to have, and by operation of the Final Approval Order and Judgment shall have, released Class Counsel, Class Members, and Class Plaintiff from any and all claims or causes of action that were, or could have been, asserted by GM pertaining to this Action or Settlement. GM recognizes that, even if it later discovers facts in addition to or different from those which they now know or believe to be true, it nevertheless agrees that, upon the Final Effective Date, GM fully, finally, and forever settles and releases any and all such claims.

8) Notwithstanding the foregoing, Class Plaintiff and/or Class Members shall hold Releasees harmless for all Released Claims that may be asserted by another legal or natural persons (including but not limited to legal guardians and estate administrators) who claim by, through, or under that Class Plaintiff or Class Member.

9) To the fullest extent they may lawfully waive such rights, Class Plaintiff and all Class Members are deemed to acknowledge and waive Section 1542 of the Civil Code of the State of California and any law of any state or territory that is equivalent to Section 1542. Section 1542 provides that:

“A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN TO HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.”

10) The Court orders that the Settlement Agreement shall be the exclusive remedy for all claims released in the Settlement Agreement for all Class Members.

11) Therefore, Class Plaintiff, Class Members, and their representatives are hereby permanently barred and enjoined from, either directly, through their representatives, or in any other capacity instituting, commencing, filing, maintaining, continuing or prosecuting against any of the Released Parties (as that term is defined in the Settlement Agreement) any action or proceeding in any court or tribunal asserting any of the matters, claims or causes of action covered by the Release. In addition, Class Plaintiff, Class Members and all persons in active concert or participation with Class Members are permanently barred and enjoined from organizing Class Members into a separate class for purposes of pursuing, as a purported class action, any lawsuit based on or relating to the claims and causes of action in the Class Action Complaint in the Action, or the Release in the Settlement Agreement Pursuant to the All Writs Act, 28 U.S.C. § 1651(a), and the exceptions

to the Anti-Injunction Act, 28 U.S.C. § 2283, the Court finds that issuance of this permanent injunction is necessary and appropriate in aid of its continuing jurisdiction and authority over the Settlement as set forth in the Settlement Agreement, and the Action.

Other Provisions

12) Without affecting the finality of this Final Order or the accompanying Judgment, the Court retains continuing and exclusive jurisdiction over the Action and all matters relating to the administration, consummation, enforcement, and interpretation of the Settlement Agreement and of this Final Order and the accompanying Judgment, to protect and effectuate this Final Order and the Judgment, and for any other necessary purpose. The Parties, Class Plaintiff, and each Class Member are hereby deemed to have irrevocably submitted to the exclusive jurisdiction of this Court, for the purpose of any suit, action, proceeding or dispute arising out of or relating to the Settlement Agreement or the applicability of the Settlement Agreement, including the exhibits thereto, and only for such purposes.

13) In the event that the Final Effective Date does not occur, this Final Order and the accompanying Judgment, and other orders entered in connection with the Settlement Agreement and releases delivered in connection with the Settlement Agreement, shall be vacated and rendered null and void as provided by the Settlement Agreement.

14) Without further order of the Court, the Parties may agree to reasonably necessary extensions of time to carry out any of the provisions of the Settlement Agreement. Likewise, the Parties may, without further order of the Court, agree to and adopt such amendments to the Settlement Agreement (including exhibits) as are consistent with this Final Order and the accompanying Judgment and do not limit the rights of Class Members under the Settlement Agreement.

15) Nothing in this Final Order or the accompanying Judgment shall preclude any action in this Court to enforce the terms of the Settlement Agreement.

16) Neither this Final Order nor the accompanying Judgment (nor any document related to the Settlement Agreement) is or shall be construed as an admission by the Parties. Neither the Settlement Agreement (or its exhibits), this Final Order, or the accompanying Judgment, nor any document related to the Settlement Agreement shall be offered in any proceeding as evidence against any of the Parties of any fact or legal claim; provided, however, that the Releasees may file any and all such documents in support of any defense that the Settlement Agreement, this Final Order, the Judgment, and any other related document is binding on and shall have *res judicata*, collateral estoppel, and/or preclusive effect in any pending or future lawsuit by any person or entity who is subject to the Release described above, in Paragraphs _____, asserting a Released Claim(s) against any of the Released Parties.

17) A copy of this Final Order shall be filed in, and applies to, the Action.
